Important Message from the Tax Collector About the Tax Assessment Postcards vs. Total Taxes Paid

By law, every year in January/February (or March during a reassessment year), the Tax Assessor (Angela Mattiace) mails out a postcard that states your current property assessment, and the amount of taxes billed the prior year on that assessment. These cards are not meant to reflect how much you actually paid in taxes the prior year, but states what was billed for that year. Each year, you should keep track of the total amount of taxes you paid within that calendar year.

If you need a print out of your tax payments, please send an email to GinaWittmaack@AllendaleNJ.gov Please put in the subject line "Tax Payment History Request" and in the body of the email state your name, Block and Lot numbers, and full street address.

We will email a copy of your payment history back to you.

Thank you,
Gina Wittmaack, Tax Collector
