

We are all looking forward to a 'normal' summer at the lake this year as the weather warms up! A huge thank you to the Crestwood Lake members for being understanding and courteous as we navigated through unforeseeable changes these past two seasons. We were thrilled we were able to safely remain open through the pandemic and offer a bit of peace and respite when we all needed it. Our DPW has been working hard to get Crestwood Lake ready and looking beautiful. Our lake sustained severe damage during Hurricane Ida, so the preparation has been extensive this year. Our office staff is busy handling registrations and Crestwood management & staff are busy coordinating schedules and events. Be on the lookout for our 'Events at the Lake' concert series. We welcome back some of our local favorites and can't wait to enjoy a relaxing summer evening chilling out and listening to music. Also, crews are working hard to get our new playground ready to go by the start of the season!

Registration is OPEN. Please visit www.allendalenj.gov to register via Community Pass. **Important new information: We are upgrading our membership badges and everyone will be required to get a new picture this year.** Here are two ways to submit a new photo.
