### A Message from Mayor Amy Wilczynski. . .

I hope everyone is enjoying their summer! We are wrapping up another successful year at Crestwood with Labor Day festivities. The Holiday Observers will have their Water Festival on the south beach of Crestwood from 1pm to 4pm on Saturday, September 2nd. There will be water activities for all to participate. Also on Saturday, Tim Gysin will be back playing at the bandshell at 7pm. The grand finale will be Clan Na Vale piping out the season on Monday, September 4th at 5pm.

Please be mindful of kids as they start school and drive carefully and slowly! Good luck to all the moms and dads as you start a new school year, especially those who are sending their kids off to college.

We are also planning our 9/11 Candlelight Ceremony which always takes place on 9/11 at 7 pm. This year our speaker will be Allendale resident Frank DiMola. Frank will speak about his experience on September 11, 2001, while on the 65th Floor of 1 World Trade Center when he was the Port Authority's Assistant Director for Aviation for Operations. This is a special and reflective event to honor those lost and to never forget.

We have been busy at Borough Hall collecting bids and answering questions for the new Community Center. Please see more info about this in this newsletter. I will be posting the progress on my [Mayor Amy Wilczynski Facebook page](#) so be sure to check it out.

Our administration has always taken advantage of available grants from the County, State, and Feds, it's a lot of work, but we have saved taxpayers millions of dollars with this best practice. Many of the improvements in Crestwood were purchased with grant money. Our next project is to refurbish the tennis courts, and in case you are wondering...we will be adding Pickle Ball! However, to manage expectations, the project may take over 2 years since it will require a full demolition and lots of engineering to mitigate the excess water issue in that area.

Allendale has seen a lot of activity with our utilities this summer. Veolia has one temporary treatment facility up and running and is close to starting the next. We are very fortunate to be ahead of the curve with this process that is affecting more than half the municipalities across the nation. PSE&G is wrapping up its pipe replacement project to improve its infrastructure. Thanks to all residents for their patience through these very important improvements.

Be on the lookout for another coffee with the mayor and council coming up in the fall.

Please follow the [Borough](#) and [Mayor](#) Facebook pages and say Hi if you see me around town.

Warm regards,

*Amy*

Mayor Amy Wilczynski

# Quick Notes...

FEMA's Community Emergency Response Team (CERT) program educates citizens about disaster preparedness for hazards that may impact their area and provides training in basic disaster response skills, such as:

- Fire safety
- Light search and rescue
- Team organization
- Shelter fundamentals and management
- Disaster medical operations
- Disaster psychology

If you are interested in learning valuable skills to help family, friends, and neighbors during a disaster or emergency, consider joining Allendale's Community Emergency Response Team. You can contribute and make a difference even if you don't have a significant amount of time to volunteer. The next CERT Basic Training course is scheduled to run from September 26<sup>th</sup> through November 9<sup>th</sup> in Paramus. For questions about CERT, email [allendalecertcoordinator@gmail.com](mailto:allendalecertcoordinator@gmail.com).

# Veolia - Lead Service Line Project

Veolia is in Allendale as part of its sweeping, \$159 million project to protect residents by removing lead from the system.

Beginning Monday, August 14, 2023, crews will be working to determine whether homes along 10 streets have a lead service line. This may include some digging, but representatives may also ask for access to the meter of some residents. The company will restore any areas that are disturbed during this process.

If lead is found, Veolia will remove it **AT NO COST TO THE HOMEOWNER.**

During this project, J. Fletcher Creamer & Son, Inc. (Creamer), a Veolia partner will be working on streets in Allendale. To stay up to date on the upcoming work visit the Borough's Website ([www.allendalenj.gov](http://www.allendalenj.gov)).

If you have any questions, please call Veolia at 1-800-422-5987.

Since 2019, Veolia has had more than a dozen crews working every day to replace lead service lines, the pipes from run from the main in the street to an individual home. We've removed more than 12,000 lines so far -- and we aren't slowing down until all the lead is gone. How do we do it? Here's a video of one of our crews in action: <https://www.youtube.com/watch?v=xQv04aFTGKs>

Veolia appreciates your patience. In the field and the lab, we're working every day to remove lead and ensure our customers have superior drinking water and reliable service for generations to come.

A commemorative poster for the 9/11 Memorial. On the left, the Statue of Liberty is shown in silhouette against a cloudy sky. A vertical American flag is positioned in the center. To the right, the date '9/11' is written in large white numbers, with 'NEVER FORGOTTEN' and '- united we stand -' below it. The Allendale Borough seal is visible, along with the text 'THE BOROUGH OF ALLENDALE'. At the bottom, the event details are listed in large, bold letters: 'SEPTEMBER 11<sup>TH</sup> CANDLELIGHT CEREMONY', 'SEPTEMBER 11 @ 7 PM (RAIN OR SHINE)', and '9/11 MEMORIAL AT CRESTWOOD PARK'.

# The XYZ Senior Club of Allendale

The XYZ Senior Club of Allendale, started in 1974, is a lively social club of 70 members, open to all senior residents in Allendale, age 55 and older. Our meetings are held on the first Friday of each month from September to June, upstairs in Borough Hall, at 11:30 AM. Members are also provided with an opportunity for a blood pressure reading and health assessment by the Bergen County nurses, before each meeting at 11 AM.

The Group enjoys a wide variety of activities. Along with refreshments at each meeting there are guest speakers, special luncheons, games, movies and day trips by bus to places of interest chosen by the members.

Membership for the year is \$15 and we welcome new members!

To learn more please contact our President, Maryann Richardson, @ 201-825-0576 or mary.ann301@yahoo.com or Rose Amatuzzi @ 201- 961- 2109 or ramatuzzi@hotmail.com

# Allendale Green Team

Although the Trex plastic film collection bin has been removed from Borough Hall, this material is still being collected at Shop Rite and Acme. Until we find a new home for the bin, please continue to bring your material to the drop off bins located at the entrance to the supermarkets. For additional information contact the Green Team at [AllendaleGreenTeam@gmail.com](mailto:AllendaleGreenTeam@gmail.com)

Also look for our new page on the borough web site which can be found [HERE](#).

**The Borough Code states that you must have your dog on its leash at all times. This includes Crestwood Park.**

# 220/230 West Crescent Update

## (formerly Black Millwork)

I am happy to share that the Borough has gone out to bid for the community center and if all goes well, we will have a builder by the end of the month and start construction within the next few months.

For clarification, the 70 rental units that you see up now at 220 WC will be at the back of the building. Our community center is the front façade of the building. This is why there are no windows facing the West Crescent side.

The community center will have a large meeting/community room with a kitchenette on one side and a gym with a larger commercial kitchen on the other side. The facility will serve the entire community from our toddlers to our seniors. The municipal offices and library will remain at 500 WC.

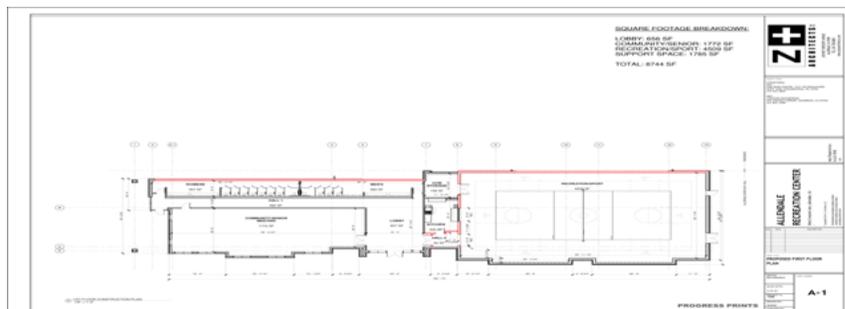

It is also important to know that we are very fortunate to have only 70 units at this site. The Borough acquired the entire property from a Brooklyn based developer who was known to build high density housing.

In addition, when we went to sell the property and go to bid, the other bidders proposed hundreds of units and another proposal with up to 300.

We were able to negotiate this deal because we were one of only 6 municipalities out of 566, who received certifications for all 3 rounds for Fair Share Housing (formally called Mt Laurel and COAH)

Because of vision and good planning, we didn't have to build super high density like our neighboring towns. For example

- Montvale- 1000+
- Mahwah- 800 +
- Old Tappan- 229
- USR- 200 +
- SR - 277 w/187 affordable
- Park Ridge -800

While we all would rather see no rentals/condos, this is the reality we live in now with Fair Share Housing obligations. We

are fortunate and I am proud that we were able to negotiate this deal as well as carve out space for a community center, something we desperately need and were very close to not having.

I have personally worked hard on this project since 2018 with many ups and downs and COVID in the middle. I know in my heart that this is the best deal for the community and will continue to work hard to get the community center built.

If anyone would like more information, please email me at: [amywilczynski@allendalenj.gov](mailto:amywilczynski@allendalenj.gov) or any council person.

# ALLENDALE HISTORY

FRED LITT  
BOROUGH HISTORIAN

## ALLENDALE POLICE DEPARTMENT

*In this June 1928 autographed image from William Reimer to borough clerk George Wilson, Allendale's first and newly appointed chief of police William J. Reimer (right) stands in front of the Allendale firehouse (which served as the borough hall), with, from left to right, marshals Jay Hollenback (badge three), Mills Ackerson (badge one), and Jack Hogan (badge two).*

In 1895, Allendale's first elected mayor and council appointed James Linkroum as the borough marshal. He was paid \$25 for the year and provided with a badge and handcuffs. In 1928, the council established the Allendale Police Department (APD) with William J. Reimer as the chief of police. With accusations of bullying and cronyism, the council voted to disband the police department on March 14, 1939, and the marshal system returned. On January 3, 1959, the mayor and council voted to reestablish the Allendale Police Department, appointing Robert D. Wilson as chief of police and Frank A. Parenti Jr. as police sergeant. Upon Chief Wilson's retirement, Frank Parenti was sworn in as police chief on June 1, 1967. Anne Kanze became APD's first female officer on August 9, 1979, and in 1980, the K-9 unit was established with officer Andrew Baum working with his new partner Guardian, a German shepherd. Robert Herndon and George "Chip"

Scherb followed Parenti as police chief on January 4, 1990, and May 12, 2011, respectively. Michael Dillon was appointed Allendale's newest police chief on January 3, 2022.

The police chief's home typically served as police headquarters. Chief marshal Kenneth Booth's home on West Maple Avenue was considered police headquarters during his tenure in the 1940s. The first Public Safety Office was established in 1951 across from the Allendale Hotel at 126 West Allendale Avenue. In 1961, the borough took possession of the American Legion's War Memorial Building on Franklin Turnpike, providing space on the first floor for APD. In 1971, the APD rented a private home at 59 Cottage Place, remaining there until 1978, when the department moved back into 290 Franklin Turnpike after the borough administration moved to 500 West Crescent Avenue. The building at 290 Franklin Turnpike was razed in 2005, and a new 9,000-square-foot police headquarters was dedicated on the same site on November 11, 2006.

*The Allendale Police Department dedicated its new headquarters at 290 Franklin Turnpike on November 11, 2006. Pictured here are, from left to right, (first row) Sgt. Todd Griffith, Sgt. Joseph Carey, Chief Robert Herndon, Sgt. George Scherb, Sgt. Al McCarthy, and Dispatcher Patrick Leonard; (second row) Officer Joe Galasso, Officer Michael Dillon, Officer Sean Hubbard, Det. John Mattiace, and Dispatcher Peggy Timony. The new 9,000-square-foot building cost \$3 million.*

# Lee Memorial Library's Tween/Teen Program

Paint any nail Teal  
(at your local nail salon)

Select a Teal dinner mint  
(from a local restaurant)

September 2023 is National Ovarian Cancer Awareness Month in the Borough of Allendale. At the May 25<sup>th</sup> Mayor & Council meeting Women's Club members Lisa Katz and Laura Dinoia joined Mayor Amy Wilczynski in declaring September National Ovarian Cancer Awareness Month. Thank you to the Allendale Woman's Club for all their efforts to raise awareness of this disease.

The Allendale Woman's Club will place teal ribbons around trees throughout the Borough of Allendale as part of "Turn the Towns Teal", a campaign to raise awareness of ovarian cancer.

Each year, thousands of women are diagnosed with and go on to battle valiantly against this disease. Yet, ovarian cancer remains difficult to detect, and women are often not diagnosed until the disease has reached an advanced stage. Because early detection is the best defense against ovarian cancer, it is essential that women know the risk factors associated with the disease.

# TOWN-WIDE GARAGE SALE

Saturday, October 21st  
**9am to 4pm**

(Rain date: Sunday, October 22nd)

## Back by popular demand, the AWC heard you!

Dig out those unwanted treasures hidden away in your attic, basement, closets, and garage. Get ready for the Allendale Town-Wide Garage Sale! For a **\$30.00 fee** you hold your own garage sale at your home, townhouse or condo within Allendale.

- No permit required - the Allendale Woman's Club did the paperwork for you.
- Your address will be included on a map provided to bargain seekers on the day of the sale so bargain hunters can find you (**deadline Oct 7th**)!
- You get loads of free advertising for your garage sale organized by the AWC!

For more information, email Shirley at [AWCtownwide@gmail.com](mailto:AWCtownwide@gmail.com) or visit the Allendale Woman's Club website at [allendalewomansclub.org](http://allendalewomansclub.org).

To register, please complete the following information and return it with your payment of \$30

to:

Allendale Woman's Club, 83 West Maple Avenue, Allendale or PO Box 284, Allendale, NJ 07401.

Name: \_\_\_\_\_ Email (important!): \_\_\_\_\_

Street Address: \_\_\_\_\_ Phone #: \_\_\_\_\_

Type of items:

\_\_\_\_\_

**Please make your check payable to: Allendale Woman's Club.** The non-refundable fee of \$30.00 must be received no later than **October 7th** to ensure inclusion on the map.

## **Building a compassionate community**

Allendale Circle of Support (ACOS) plays a crucial role in fostering a compassionate community by extending temporary assistance to Allendale residents facing financial difficulties. The need may be invisible, yet it is present...even in Allendale.

Donations are used to purchase gift cards for essentials like food, health and hygiene, and clothing, providing immediate relief to those facing financial challenges.

ACOS also collaborates with the Borough to provide annual holiday gift bags for our senior citizens, demonstrating a strong sense of involvement and appreciation of our respected community members.

These efforts are funded solely by contributions from the community. Donating to ACOS not only aids individuals in need but also contributes to the overall well-being of the Allendale community.

Requests are handled with absolute confidentiality, ensuring that those seeking assistance can do so without fear or stigma. If you know of someone in town or if you yourself are in need, please visit the [ACOS website](#).

**Our ask today:** ACOS relies entirely on community contributions for funding. If you can help build a compassionate community, please **scan the QR below to donate**. Thank you.

# SPOTTER LANTERNFLY INFORMATION

Source: NJ Dept. of Agriculture

Spotted Lanternfly (SLF), *Lycorma delicatula*, is an invasive planthopper native to China, India, and Vietnam; it is also established in South Korea, Japan and the U.S. It was first discovered in the U.S. in Pennsylvania in Berks County in 2014 and has spread to other counties in PA, as well as the states of New Jersey, Delaware, Maryland, Virginia, West Virginia, New York, Connecticut and Ohio.

This insect has the potential to greatly impact agricultural crops and hardwood trees. SLF feeds on the plant sap of many different plants including grapevines, maples, black walnut, and other important plants in NJ. While it does not harm humans or animals, it can reduce the quality of life for people living in heavily infested areas.

## WHY YOU SHOULD CARE

SLF is a serious invasive pest with a healthy appetite for our plants and it can be a significant nuisance, affecting the quality of life and enjoyment of the outdoors. The spotted lanternfly uses its piercing-sucking mouthpart to feed on sap from over 70 different plant species. It has a strong preference for economically important plants and the feeding damage significantly stresses the plants which can lead to decreased health and potentially death.

As SLF feeds, the insect excretes honeydew (a sugary substance) which can attract bees, wasps, and other insects. The honeydew also builds up and promotes the growth for sooty mold (fungi), which can cover the plant, forest understories, patio furniture, cars, and anything else found below SLF feeding.

If you see a Spotted Lanternfly, help us Stomp it Out!

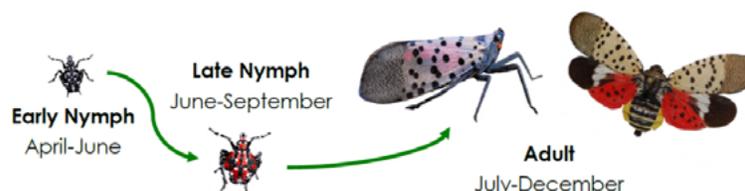

## LEARN MORE

To learn more about Lanternflies and what you can do to help "Stomp It Out" visit the NJ Dept. of Agriculture's website at:

[www.nj.gov/agriculture/divisions/pi/prog/pests-diseases/spotted-lanternfly/](http://www.nj.gov/agriculture/divisions/pi/prog/pests-diseases/spotted-lanternfly/)

## Join the lookout for spotted lanternfly!

# GARBAGE & RECYCLING REMINDERS

- All items should be put out *starting at 6pm the night before* the scheduled collection.
- Building materials and wood pallets *are not collected* by our garbage contractor. You must make your own arrangements to dispose of them.
- You must schedule a one-time, courtesy move-out pickup with [info@AllendaleNJ.gov](mailto:info@AllendaleNJ.gov) at **least 4 WEEKS in advance**. No metal, electronics, or recyclable materials collected.
- Remember to make sure that the lids are securely on top of your cans, especially garbage. This will help keep wildlife at bay.
- Collection containers can be no larger than 30 gallons.
- Bulk Trash must be placed on the curb and **not placed** in the road.
- Food containers being recycled need to be rinsed and cleaned before you dispose.
- Soiled pizza boxes are garbage and **NOT** recyclable.
