### A message from Mayor Bernstein. . .

December is an amazing time of year here in Allendale. The weather turns colder, the downtown is lit with the lights of the holidays and, most importantly, it is a time for us to come together with our families.

I had the honor of participating at the Borough and Valley Chabad's joint Menorah Lighting Ceremony. It was a very cold night, but a great crowd joined us to celebrate Hanukkah and enjoy latkes and spinning dreidels. Thank you to Rabbi Orenstein and Valley Chabad for organizing and to Councilman O'Toole, Councilwoman-Elect Lovisolo, Ron Kistner, Chief Scherb, Officer in Charge Sgt. Griffith, and Officers Stettner & Hillgardner for participating. A special thank you to Rich McDowell and John Gil for going above and beyond to set everything up and make sure everyone had an enjoyable time.

The Allendale Chamber of Commerce hosted its annual Holiday Walk on December 3rd. This event brings Allendale residents together with our amazing small business community to kick off the holidays. A huge thank you to everyone who worked hard to make the event a success. As always, a special thank you to our First Responders on AVAC, Police Department, and Fire Department for keeping everyone safe that night and through the year. Lastly, a special thank you to Santa for lighting up the town that night with his holiday cheer.

Continuing the celebrations, on Saturday, December 11th, the Holiday Observers will be having their annual "Santa Claus Comes to Town Holiday Gift Distribution" in the center of town. Visit [holidayobservers.org](http://holidayobservers.org) for more details.

The Allendale Woman's Club is once again selling luminaries to display on driveways and walkways on New Year's Eve to give a bright start to 2022. You can visit their website [allendalewomensclub.org](http://allendalewomensclub.org) for more info.

As we look to close the book on 2021, I wanted to take this opportunity to thank all of the residents, volunteers, and employees in the Borough for a job well done. While we were faced with challenges we could not have anticipated a few years ago, as in the past, we came together, worked together, and found a way to move forward together...and all in the best interests of Allendale.

And finally, on behalf of the Governing Body and the entire Borough, I wish you all Happy Holidays and a very Happy New Year!

# Quick Notes...

## Playground Update

The playground at Crestwood Park is now closed in preparation for the upcoming second phase of renovation in the 'Crestwood Lake Playground Project'. The goal is for the contractor to complete as much work as the winter weather will allow. The Borough is projecting a SPRING 2022 re-opening of the facility.

## Allendale Green Team

The holiday season is here and the Allendale Green Team is asking our residents to Think Green by saving any EPS "packing Styrofoam" for a scheduled collection event in Oakland on January 8, 2022 from 10:00 AM – 1:00 PM with a rain date of January 15.

We would also like to inform you of a pending electronics recycling event in January with more information to follow.

Please contact the team at [AllendaleGreenTeam@gmail.com](mailto:AllendaleGreenTeam@gmail.com) for additional information regarding these announcements.

It seems like the cold weather is rapidly approaching. As we spend more time together inside our homes, going out in the elements may be necessary. If you choose to venture out during snow or ice, the Allendale Office of Emergency Management would like to remind residents of the following safety tips:

## Cold Weather Driving

- Keep a bundle of cold-weather gear in your car, such as extra food and water, warm clothing, a flashlight, a glass scraper, blankets, medications, and more.
- Make certain your tires are properly inflated and have plenty of tread.
- Keep at least half a tank of fuel in your vehicle at all times.
- Never warm up a vehicle in an enclosed area, such as a garage.
- Do not use cruise control when driving on any slippery surface, such as on ice and snow.

## Driving in the Snow

Stay home. Only go out if necessary. Even if you can drive well in bad weather, it's better to avoid taking unnecessary risks by venturing out.

Drive slowly. Always adjust your speed down to account for lower traction when driving on snow or ice.

Accelerate and decelerate slowly. Apply the gas slowly to regain traction and avoid skids. Don't try to get moving in a hurry and take time to slow down for a stoplight. Remember: It takes longer to slow down on icy roads.

Increase your following distance to five to six seconds. This increased margin of safety will provide the longer distance needed if you have to stop.

Know your brakes. Whether you have anti-lock brakes or not, keep the heel of your foot on the floor and use the ball of your foot to apply firm, steady pressure on the brake pedal.

Don't stop if you can avoid it. There's a big difference in the amount of inertia it takes to start moving from a full stop versus how much it takes to get moving while still rolling. If you can slow down enough to keep rolling until a traffic light changes, do it.

Don't power up hills. Applying extra gas on snow-covered roads will just make your wheels spin. Try to get a little inertia going before you reach the hill and let that inertia carry you to the top. As you reach the crest of the hill, reduce your speed and proceed downhill slowly.

Don't stop going up a hill. There's nothing worse than trying to get moving up a hill on an icy road. Get some inertia going on a flat roadway before you take on the hill.

# 2022 CHRISTMAS TREE COLLECTION

The Department of Public Works will be collecting and chipping Christmas Trees. All trees must be free of decorations, tree stands and plastic bags.

- West Side Collection: Weeks of Jan. 3 & Jan. 17
- East Side Collection: Weeks of Jan. 10 & Jan. 24

Decorative wreaths and garland, held together with wires, must go with household garbage.

## GARBAGE & RECYCLING REMINDERS

- All items should be put out *starting at 6pm the night before* the scheduled collection.
- Wood pallets are not collected by our garbage contractor. You must make your own arrangements to dispose of them.
- You must schedule a one-time, courtesy move-out pickup with [TatianaMarquis@AllendaleNJ.gov](mailto:TatianaMarquis@AllendaleNJ.gov) at *least 3 WEEKS in advance*. No metal, electronics, or recyclable materials collected.
- Remember to make sure that the lids are securely on top of your cans, especially garbage. This will help keep wildlife at bay.
- Collection containers can be no larger than 30 gallons.
- Bulk Trash must be placed on the curb and **not placed** in the road.
- Food containers being recycled need to be rinsed and cleaned before you dispose.
- Soiled pizza boxes are garbage and **NOT** recyclable.

## IMPORTANT MESSAGE: COVID-19 RATEPAYER RELIEF MEASURES

*Certain measures are in place providing relief to ratepayers experiencing economic hardship during the COVID-19 pandemic. Please review this message in its entirety. For more information, please contact Suez Customer Service at 855-967-6708.*

### SERVICE SHUTOFF MORATORIUM

BE ADVISED that Executive Order 229 currently prohibits a local government from shutting off water service to a residential customer, or to accounts primarily serving residential customers, due to nonpayment of water charges unless the disconnection is to prevent or ameliorate a risk to public health or safety. **This shutoff moratorium remains in effect until January 1, 2022.**

### LATE PAYMENT PENALTY AND LIEN ENFORCEMENT MORATORIUM

BE ADVISED that, **until January 1, 2022**, Executive Order 229 places a moratorium on local governments enforcing late payment charges and penalties on water accounts, or referring a delinquent water payment to tax sale. **On or after January 1, 2022**, charges and penalties may be imposed for delinquent payments, and any payments remaining delinquent may be subject to water service shut-off or referred to a tax lien sale held by the municipal tax collector.

### BILL ASSISTANCE AND ARREARAGE FORGIVENESS PROGRAMS

The New Jersey Department of Community Affairs (DCA) is currently developing a Low-Income Household Water Assistance Program (LIHWAP). This program is designed to assist water and sewer customers facing economic hardship due to the COVID-19 pandemic. Further information will be provided once the program goes live.

### OPPORTUNITY TO REPAY ARREARAGES IN INSTALLMENTS

BE ADVISED that residents experiencing economic hardship during COVID-19 and who are behind on their water payments may be eligible to enter into an agreement whereby the resident agrees to pay their arrearages in installments over a period of time. As part of the agreement, the resident must keep up to date on all current charges. For more information on repaying arrearages in installments contact Suez Customer Service at 855-967-6708.

## COVID-19 Vaccines

COVID-19 vaccines are now widely available for people ages 5 years and older. All COVID-19 vaccines are safe, effective and reduce risk of severe illness.

Vaccine	Age	Primary Series (Starting Dose)	Additional (3rd Dose)	Booster <sup>^</sup>
Pfizer-BioNTech / COMIRNATY	5+ years old*	2 doses, 21 days apart	<b>Immunocompromised**</b> 12+ years old, at least 4 weeks after primary series	18+ years old, at least 6 months after primary series
Moderna	18+ years old	2 doses, 28 days apart	<b>Immunocompromised**</b> 18+ years old, at least 4 weeks after primary series	18+ years old, at least 6 months after primary series
Johnson & Johnson's (J&J) Janssen	18+ years old	1 dose	No	18+ years old, at least 2 months after first dose

Adapted from the Centers for Disease Control and Prevention.

People are considered fully vaccinated 2 weeks after completing the primary series (2 doses of Pfizer/Moderna or 1 dose of J&J).

\*5 to 17-year-olds must have the consent of a parent or legal guardian to be vaccinated

\*\*Immunocompromised people may receive a booster 6 months after their additional (third) dose of mRNA vaccine (Pfizer or Moderna)

^Any of the COVID-19 vaccines can be used for the booster dose
