# Proclamation in Honor of National Ovarian Cancer Awareness Month

**WHEREAS**, ovarian cancer continues to have one of the highest mortality rates of any cancer, and it is a leading cause of cancer deaths among women in the United States; and

**WHEREAS**, each September especially, we remember the mothers, sisters, and daughters we have lost to ovarian cancer, and we extend our support to those living with this disease; and

**WHEREAS**, each year, thousands of women are diagnosed with, and go on to battle valiantly against this disease. Yet, ovarian cancer remains difficult to detect, and women are often not diagnosed until the disease has reached an advanced stage. Because early detection is the best defense against ovarian cancer, it is essential that women know the risk factors associated with the disease; and

**WHEREAS**, during National Ovarian Cancer Awareness Month and throughout the year, we commend all the brave women fighting this disease and recognize their families and friends' compassion and encouragement. And in memory of all the brave women who have lost their lives to ovarian cancer, and in support of generations of women to come, let us recommit to reaching a safer, healthier future for all our citizens; and

**WHEREAS**, the Allendale Woman's Club will be placing teal ribbons around trees throughout the Borough of Allendale as part of "Turn the Towns Teal", a campaign to raise awareness of ovarian cancer.

**NOW, THEREFORE, I, Ari Bernstein**, on behalf of the Mayor and Council of the Borough of Allendale, do hereby proclaim **September 2022 as National Ovarian Cancer Awareness Month** in the Borough of Allendale and thank the Allendale Woman's Club for all their efforts to raise awareness of this disease. I call upon citizens, government agencies, organizations, health-care providers, and research institutions to raise ovarian cancer awareness and continue helping Americans live longer, healthier lives. And I urge women across the country to talk to their health-care providers and learn more about this disease.

*Mayor Ari Bernstein*
