A Regular Session Meeting of the Mayor and Council of the Borough of Allendale was held in the Municipal Building at 500 West Crescent Avenue, Allendale, NJ on April 15, 2021. However, due to the COVID-19 pandemic, access to the public was provided via GoToMeeting video and teleconferencing only, with adequate notice of same posted for public viewing. The meeting was called to order at 8:01 p.m. by Mayor Bernstein who reminded the public to mute their devices so as not to distract from the business at hand. Mayor Bernstein advised the public that they would have several opportunities at appropriate times throughout this meeting to be heard.

Mayor Bernstein asked that the Acting Municipal Clerk read the open public meetings statement: "In compliance with the Open Public Meetings Act, the notice requirements have been satisfied. The meeting dates for the year are confirmed at the Annual Meeting, are posted on the public bulletin board in the Municipal Building, published in The Record within the first 10 days of the New Year, and copies are sent to The Ridgewood News and Star Ledger."

The Mayor led those present in a salute to the flag.

The Mayor then held a Moment of Silence for Vincenzo "Vinnie" Bottaro, President of the Allendale Volunteer Ambulance Corps., who tragically passed away this past Friday.

Public Comment on Agenda Items Only:

Mark Savastano, 22 Vreeland Place, questioned why the cost of recycling has gone up. Mr. Kistner responded that there was a small increase from \$76.50 to \$82.50, while other towns saw much greater increases. Mr. Stavastano questioned if we are receiving any money from recyclables, to which Mr. Kistner said that no one is receiving funds anymore. Councilwoman Wilczynski stated that despite that, residents are still encouraged to recycle. Councilwoman Homan mentioned that composting is another great way to reduce waste. The Bergen County Utilities Authority sells composting units.

Mr. Stavastano then questioned what the costs savings are with the new phone system. CFO Alissa Mayer replied that it would take some time to get that all into place, and for half the year we will be paying the old system as well as some upfront costs. Due to that, we will not see much savings this year, but going forward it will be substantial.

Jeffery King, 24 Elizabeth Parkway, Eatontown, New Jersey commented that he is happy with Allendale's investment in open space and loves our parks.

He advised that the compost site is now opened and thanked the residents and the DPW crews who have worked at the site during the pandemic. Regarding the Green Team, they have added two new members, Pat Finn and Sean Kelly. He then concluded with an update on the Goose Patrol.

Councilwoman Homan – Water, Sewer and Public Utilities

Councilwoman Homan added to her comments that there will be another Public Water Meeting on Tuesday, May 4th.

Mayor's Report:

Mayor Bernstein's report was provided during the Work Session.

Staff Report:

Raymond Wiss, Borough Attorney, concurred with Councilwomen Wilczynski and Homan that the 220/230 and the Water Committees have been very active and commended both of them for their hard work. He commented that new legislation on marijuana is a hot-button issue throughout all municipalities and he knows that both the Public Safety Committee and also the Land Use have been meeting to talk about it. Governor Murphy seated his cannabis commission this past week and they had their first meeting on Monday. We await regulations which will stem from that committee. In addition to his work on 220/230 and water, he has worked with Mr. Kistner on some land use issues, some personnel matters, and ordinances and resolutions that appear tonight.

Michelle Ryan, Acting Clerk reported that the Clerk's Office is busy selling compost permits and very busy with OPRAs.

Mayor Bernstein thanked Ms. Ryan and her team for their efforts. He stated that if a resident is frustrated with an issue, please don't take it out on those who answer the phones.

Mr. Kistner wanted to thank everyone for their hard work and dedication. He highlighted the work of the departments and concluded by saying that he considers Allendale his second home.

Public Comment on any issue:

Jeffery King, 24 Elizabeth Parkway, Eatontown, New Jersey gave his condolences to the Bottaro family. He has family in Waldwick and is impressed with how well maintained the Celery Farm is during his visits. He expressed his support of medical marijuana and home growing rights as well as his thoughts on the importance of working with responsible local distributors, especially when it

comes to addressing marijuana litter. He applauded the Northern Highlands students' support for ending Asian hate and the Black lives matter movement.

Mark Stavastano, 22 Vreeland Place, advised that Green Team submitted two grants to Sustainable Jersey, one for \$2,000 and another for \$20,000. He thanked all those involved. Ridgewood is hosting a Styrofoam collection. He then thanked Councilwoman Homan for informing him of a composting program in Ridgewood. He was able to invite a member of the Ridgewood Council and Recycling Coordinator to speak at the last Green Team meeting.

Mr. Stavastano inquired about the time frame of the bid for the sale of the water system and the impact inspections of sump pumps may have. Councilwoman Homan discussed the importance of making sure that sump pumps are not going into the sewer system. As a follow up, he asked about the timing of sprinklers and if that would be impacted by the sale of the system. Councilwoman Homan said that is something to discuss. She then gave an overview of the RFP process.

Edward Grimes, Hanover Rd, East Hanover, New Jersey, representing SativaCross.org, expressed appreciation for the moment of silence before the meeting. He proceeded to read bible verses in support of natural remedies and described his personal experiences with prescription pain medications and the benefits he has had with medical marijuana.
