A MESSAGE FROM MAYOR AMY WILCZYNSKI

Happy New Year, everyone! I hope you all had a wonderful holiday season. We are gearing up for a great year ahead. We held our Reorganization Meeting on January 5 and are setting ourselves up for a successful 2026.

We began the year putting the DPW to the test with some **major snowstorms**. I think we can all agree, they did a fabulous job clearing the snow in a very timely manner! The fluctuating temperatures combined with aging infrastructure resulted in **two major water main breaks**. Veolia worked around the clock to make repairs with minimal disturbance in traffic or service interruptions. Veolia continues to **locate and replace lead service lines** throughout the Borough and are systematically replacing everyone's meters. In addition, PFOS treatment is now in place in 4 out of the 5 wells. The wells with treatment are **registering as non-detect**.

It has been wonderful to see so many residents using the **Community Center** this winter. It's hard to believe it has only been open for just over a year. We are pleased with how smooth the transition has been and thrilled to see it being used by our local groups, the Allendale Recreation Commission, and residents enjoying activities ranging from mahjong to pickleball. We recently **added new furniture** in the lobby, creating another welcoming gathering space.

With the Community Center and the Crestwood concession stand completed, our major focus this year will be the **overhaul of the tennis courts by the Red Barn**. This is a significant project requiring extensive engineering work. We plan to convert the courts for both tennis and pickleball and add a standalone **basketball court** as well.

We remain committed to keeping open lines of communication with our residents. This year, we will be hosting **four more Town Halls**, along with additional **"Coffee with the Mayor and Council"** events to encourage open, casual conversations. Please remember that we are always available by email and phone. I had many one-on-one meetings with residents over the past year and look forward to continuing those conversations in the year ahead.

This year, we are proud to celebrate **America's 250th anniversary** of the signing of the Declaration of Independence. The Borough will be partnering with local organizations and businesses to promote patriotism and community pride in recognition of this important milestone.

Over the past few years, the Borough has been investigating **sewer costs and inflow and infiltration (I&I) issues**. We will be reinstituting our **sump pump program** and conducting smoke testing in areas where we suspect leakage. More information will be shared soon.

Finally, please be on the lookout for a separate memo regarding our **Fair Share Housing settlement**. The Borough has been working diligently to reach this point, and we look forward to sharing the details with everyone soon!

Please stay informed: sign up for alerts and emails and follow the Mayor Amy Wilczynski Facebook and Instagram pages as well as the Borough Facebook page. Also feel free to contact any council member or myself.

If you know someone who does not have access to a computer, please let us know so we can mail them Borough updates.

And please say hi anytime you see me around town!

Your Donations are put to GOOD USE!

The Allendale Volunteer Ambulance Corps is proud to serve our community with a dedicated team of men and women who volunteer their time to help you in your moments of need. We are committed to providing compassionate, high-quality emergency care — and we are proud to do so at no cost to you. We never charge for our services.

Your generous donations make it possible for us to continue this mission. Contributions help fund:

- Essential medical supplies such as oxygen, bandages, gloves, and equipment
- Routine ambulance maintenance and unexpected repairs
- Our ongoing efforts to purchase a much-needed new ambulance

We ask you to consider supporting this life-saving organization. Your gift, no matter the size, directly strengthens the care we provide to our neighbors and community.

with Jim Wright
author & local historian

Judge John Fell of Allendale
1721-1798

William Franklin, son of Benjamin Franklin, was the last royalist Governor of New Jersey (1763-1776). John Fell lived in what is now Allendale. He led local opposition to the British during the American Revolution. Although Franklin and Fell likely never crossed paths, their parallel lives provide a unique look at New Jersey in Revolutionary times. This illustrated talk focuses on these two exceptional men and their local legacies.
