## A MESSAGE FROM MAYOR AMY WILCZYNSKI

What a winter it has been so far. January's snowstorm brought 14 inches of snow...the most we've seen in a decade! With a fairly new crew, our DPW did an outstanding job, working around the clock for two days to clear streets and sidewalks and keep everyone safe. The frigid temperatures also caused **9 water main breaks** throughout the Borough! Fortunately, service was restored quickly without any major interruptions. The largest break occurred on one of our main lines on West Crescent Avenue, where Veolia crews worked for 15 hours overnight in bitter cold conditions to complete the repair. **If Allendale was responsible for all these repairs, the cost to taxpayers would be exorbitant.** Our aging infrastructure is just one of the main reasons **Allendale voters made the right decision to sell** to a company equipped to handle these challenges and emergencies.

Our **Town Hall** schedule for the year is set, and all meetings will be held at the Community Center from **7:00 to 8:30 PM on February 25, May 19, August 26, and October 28**. At the February meeting, we expect to provide an update on our **Fourth Round Fair Share Housing obligations** and review our goals for the year. Each Town Hall is designed to allow plenty of time for open questions and discussion. These are casual meetings with no formal agenda or minutes, giving residents an opportunity to speak freely without going "on the record." We also encourage everyone to attend our regular **Council meetings**, which are held twice each month. If you have not yet read our **End-of-Year Report**, it is available online: [2025 End of Year Report](#). Hard copies can be found at Borough Hall.

We have already held several **budget meetings** this year and are hoping to introduce the budget early next month. As in past years, we will be preparing a **budget newsletter** to provide residents with detailed information about the budget and the process. Rising state healthcare costs continue to be one of our biggest challenges. We remain committed to zero-based budgeting, carefully reviewing each line item every year. In addition, we have implemented **five-year capital planning** across all departments and remain focused on maintaining a **stable or decreasing tax rate**.

Council President Susanne Lovisolo and I met with **Congressman Josh Gottheimer** earlier this month and had a productive conversation about issues affecting Allendale, along with valuable insight into **federal grant opportunities**. We will be meeting with his staff again next week to further explore potential funding for our community.

I expect to share a **Fair Share Housing memorandum** within the next month. We are continuing to work through deed extension logistics, sewer agreements, and additional refinements to our plan. It has been a complex and demanding process, but we are getting close to the finish line.

Finally, we are working with local organizations to embrace a patriotic theme this year in recognition of **America's 250th anniversary**. The Borough is collaborating with Holiday Observers and organizing a **community parade** that will lead to their spectacular **semi quincentennial celebration on September 19th** at Crestwood Lake. They will have events for the family, re-enactments, music, food etc. It is sure to be a great day in Allendale. If you would like to be part of the **parade planning team**, please contact me directly at [amywilczynski@allendalenj.gov](mailto:amywilczynski@allendalenj.gov).

**Please stay informed:** [sign up for alerts and emails](#) and follow the [Mayor Amy Wilczynski Facebook](#) and [Instagram](#) pages as well as the [Borough Facebook](#) and [Borough Instagram](#) pages. Also feel free to [contact any council member or myself](#).

And please say hi anytime you see me around town!

Mayor Amy Wilczynski

## FROM THE ALLENDALE GREEN TEAM

THANK YOU from your Allendale Green Team to our residents, to Lee Memorial Library and to Rohsler's Allendale Nursery for making the 2<sup>nd</sup> Annual Holiday Lights collection a deLIGHTful success! Approximately 600 pounds of lights were diverted from the landfill and delivered to a recycler. This effort helps to fund our initiatives and reduces municipal trash expenditures, all at no cost to the residents.

Undeterred by the snow, your dedicated Green Team volunteers held our monthly Packing Foam / Reusable Bag / Food Donation / Winter Clothing Collection on January 17. Mayor Emeritus Vince Barra expressed his thanks for the thoughtful generosity of the residents, as do we for the effort made to bring recyclables, food and clothing in spite of the inclement weather.

Our next monthly collection is Saturday February 21, 10 AM till 12 Noon at Borough Hall.

The annual Earth Day / Spring Cleanup event is scheduled for April 11, 10 AM till 2 PM. Details will follow in future announcements.
