Allendale

SPRING NEWSLETTER 2015

From the Mayor's Desk

On January 6, 2015 it was my honor to be sworn in as the 33rd Mayor of Allendale by Lt. Governor Kim Guadagno. Alongside me were Amy Wilczynski, Jackie McSwiggan and Liz Homan who were sworn in as members of the Council. We are delighted to welcome Liz Homan to the Council. Liz's corporate experience as well as her many years of volunteer service to the Allendale community will serve her well on the Council. My sincere thanks to my dear friend and mentor, Mayor Emeritus Vince Barra, who has been an invaluable source of support and guidance. I also want to thank the dedicated members of this Council, and my wonderful family, friends and neighbors for being a part of such a memorable evening. It was an historic night for Allendale and I am so grateful for all the support, trust, enthusiasm and good wishes I've received since taking office.

My goal is to make certain Allendale retains its charm, character and excellent services while working to ensure our residents can afford to live here. With that said, I am pleased to announce that our 2015 municipal budget will provide for a ZERO municipal tax increase for the FIFTH year in a row. This budget will be introduced at our March 26th Council Meeting. On March 14th we approved a capital budget of \$750,000 which does not deficit spend. We adopted this model nine years ago and plan to continue with this fiscal discipline. We continue to aggressively manage our debt as it continues to be the second largest item in our budget. This year we plan to re-finance bonds from 2005 to reduce our

dedication in developing a fiscally sound budget.

Our infrastructure must continue to be improved and upgraded. This year we have numerous projects including the ongoing street paving program through which we expect to pave approximately ten streets this year, bringing the total streets paved to ninety in the past nine years. In the fall, we will be refurbishing one of the major pieces of our water infrastructure, the 400,000 gallon elevated water tank. Additionally, we will commence upgrades to our New Street water treatment facility. In addition, a high speed pump for our Fairhaven water tank will be installed. The Allendale Fire department building will receive upgrades and their new truck should be arriving this spring. We remain committed to the quality of our sports fields and to one of our jewels, Crestwood Lake. We will continue to improve drainage in various areas of the Borough as well as upgrade our sidewalks to insure our children have safer routes to walk to school. Recycling is an important program in Allendale, please refer to the recycling section of this newsletter to see the increased services of recycling the Borough is offering in the ever changing recycling world.

I am pleased to announce that Allendale was recently awarded a

interest payments. My sincere thanks to the Finance Committee chair, Ari Bernstein and co-chair, Amy Wilczynski, and our CFO Alissa Mayer for their hard work and

grant of \$220,000 from the New Jersey Department of Transportation Local Aid Infrastructure Fund for the resurfacing of Boroline Road. Special thanks to Senator O'Toole for his support of our grant application. This funding will allow us to upgrade the commercial infrastructure without taking funds from our municipal street paving program.

We welcome two new members of management, Ron Kistner as our Director of Operations and Mike Vreeland as our Borough Engineer. Ron and Mike both bring a wealth of knowledge and experience to our team. In addition, we are pleased to have Tatiana Marquis join us as the new administrative assistant in our Department of Public Works.

As the members of our Department of Public Works get ready to prepare our facilities for spring, I'd like to thank them for the countless hours they have spent these past four months dealing with difficult winter we have had. Their professionalism and commitment were evident during every storm.

I hope to meet more of our residents through "Meet the Mayor Mornings" which I plan to schedule throughout the coming months. I welcome resident's ideas and feedback. Please check the Borough website for more information.

These past 100 days have been both rewarding and challenging. I look forward to working with our residents and this great Council to ensure a continued bright future for Allendale.

Let's enjoy the warmer months ahead!

Liz White

ALLENDALE VOLUNTEER SERVICES

Allendale Community Emergency Response Team (CERT)

FEMA's Community Emergency Response Team (CERT) program educates average citizens about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as:

- Fire safety
- Light search and rescue
- Team organization
- Disaster medical operations
- Disaster psychology

2015 promises to be filled with opportunities, adding new skills and enhancing those already established. With the support and collaboration of other area CERTs, we have already had classes on:

- Ebola and virus awareness
- Bergen County Police Bomb Tech presentation

Upcoming CERT classes include:

- Disaster Psychology for Humans & Animals
- Red Cross Sheltering Fundamentals
- Sykwarn Spotter
- Emergency Radio Communications training

Do you want to learn some valuable skills to better prepare yourself to help family, friends and neighbors during emergencies? Don't have a lot of time to commit to volunteering but still want to learn and do something to help? Consider joining Allendale's Community Emergency Response Team. For any questions about the CERT's training and mission, send an email to: allendalecertcoordinator@gmail.com

Allendale Volunteer Ambulance Corps

During 2014 our volunteer Corps completed over 375 emergency, stand-by and community event calls. As always, our emergency service is free with patients never being charged for treatment or transport.

Our new year started quietly with new officers being sworn in at the Borough of Allendale Reorganization Meeting on January 6th and our annual dinner on January 9th. Our officers are:

Captain - Ellen Hillman
Assistant Captain - Scott Zieber
1st Lieutenant - Alexa Policastro
2nd Lieutenant - Matt Hillman
3rd Lieutenant - Patrick Donahue (Emily Davis 1/1-2/8/2015)

President - Karen Clark
Vice President - Sue Zitolo
Treasurer - Aris Escalona
Recording Secretary - Barbara Keohane
Corresponding Secretary - Patrick Donahue

January and February quickly picked up when we were asked to help the Bergen County Office of Emergency Management by deploying to Edgewater to support the fire fighting efforts at the massive Avalon Bay apartment complex on January 21st. Our crew reported to duty at midnight to join approximately 13 other Bergen & Essex County EMS units.

February 5th brought a unique opportunity to work alongside the AFD to do a night time ice rescue at the pond at Crestwood Park. Our crews braved 15 degree temperatures to practice rescue skills late into the night.

We are looking forward to welcoming special needs children & families to an open house at AVAC in March or April. This is part of our effort to reach out to our community members. Additionally we regularly host Girl Scout, Cub Scout & Boy Scout groups and introduce them to Emergency Medical Services.

Check out our new website at www.allendale-ems.org (also www.allendaleambulance.org) for helpful health information in addition to information how you can support our volunteer organization. New this year is our participation in the Amazon Smile program. Sign up on Amazon using the link on our "Donate" page and a percentage of your Amazon purchase price will be donated to AVAC. It's an easy way to help your community. Here's the link to get you started: <http://smile.amazon.com/>

Look for us on Facebook at www.facebook.com/AllendaleVolunteerAmbulance and visit our website for upcoming dates for "Family & Friends CPR Instruction". This is non-certification program where you can learn the life-saving skill of CPR.

Do you think you'd like to help your community by becoming a member of AVAC? It's easy! Contact Captain Ellen Hillman at avaccaptain@gmail.com or Assistant Captain Scott Zieber at avacast.capt@gmail.com or leave a phone message at 201.327.3274.

HELP WANTED - DOG CENSUS WORKERS

There will be two part-time job opportunities this summer for dog census workers at Borough Hall. Dog census workers walk door to door in town to determine if pets are licensed and current on their rabies vaccinations. These positions pay \$12.50 an hour. For more information please call the Clerk's office at Borough Hall at 201-818-4400, ext 200.

FREE QUARTERLY ADULT HEALTH CLINICS

On the last Thursday of the month, the borough holds a free adult health clinic. It runs from 9:30am - 11am. Services include blood pressure readings, height/weight measurements, and more. For more information, please contact the Board of Health at 201-818-4400, ext. 211.

BOROUGH HALL NEWS

After hours drop box for Tax and Water payments ONLY is located on the back or north door to Borough Hall

PLACE WITH YOUR CONTAINER RECYCLING

Please place your recycling in rigid containers!

ALLENDALE FIRE DEPT.

Message from the Fire Chief:

As you turned your clocks ahead, don't forget to change the batteries in your smoke and Carbon Monoxide detectors to keep your family safe! A working detector greatly increases your chances of surviving a fire in your home or detecting a carbon monoxide leak. Here are some other important tips to consider:

- Dust or vacuum your smoke/CO detectors when changing the batteries.
- Test alarms once a month using the test button.
- Replace the entire alarm if it's more than 7 years old, or doesn't work properly when tested.
- Install smoke and CO alarms on every level of your home, including the basement, kitchen area, and outside of bedrooms.
- Make sure everyone in your home understands what the warning sounds of the alarms are.
- Develop an escape plan that includes where everyone will meet outside and what to bring in case of an emergency.
- If an alarm sounds, dial 911 immediately.

I would like to thank you in advance for your cooperation. With these simple and easy tips, the Borough of Allendale will remain a safe place to live.

The Allendale Fire Department is 100% volunteer, and we are always looking for new members. It doesn't matter if you have experience or are brand new to the job; there is always room for you in our department. If you have ever thought about becoming a firefighter and want to help out in the community, now is your chance to make it happen. This is great way to support the local community, and even prepare for a paid career in the fire service. If you have any questions or concerns, please contact me directly at firechief@allendalnj.gov. Thank you, and stay safe!

Thomas Smith, Chief of the Allendale Fire Department
