The Crestwood Lake staff*

It's that time of year again...finally! Our DPW has been working hard to get Crestwood Lake ready for another successful season of fun in the sun. Last summer, we were happy to accommodate our members during the pandemic while many other pools remained closed. Because of the expansive space in our 70-acre park, families could enjoy some fresh air, cool off in the lake, try to relax during the stressful and difficult time. We were pleased with all the members' cooperative nature as we navigated through the new rules and regulations mandated by the state. Everyone looked out for each other, offered suggestions, and most of all were neighborly and kind.

Our members' and staff's safety is always our top priority, so this year to start, we will need to keep many of the social distance guidelines in place in accordance with the continued state executive orders. Tom Viscardi, our lake director, and the staff did a great job last year and we expect this year to go even smoother. We ask again for your patience and we are hopeful that things will lighten up before the summer ends and we can bring back the slide, kayaks, and swimming docks...fingers crossed.

**Registration is open starting MONDAY, MAY 3<sup>rd</sup>**

Please visit our website at [www.allendalenj.gov](http://www.allendalenj.gov) to register via Community Pass

Please make sure you are on the lookout for our "Events at the Lake" concert series. We have been tentatively planning to have a few live bands this year as things get back to normal. We are closely watching the outdoor event restrictions, so we will keep you all updated as the summer progresses. Remember events are free and open to all Allendale residents (not just lake members). Also, we will have a brand-new playground ready to go by Memorial Day.

We look forward to another great season at beautiful Crestwood Lake!!

Best Regards,  
Amy & Liz

## Crestwood Lake 2021 Season Notes

**The Crestwood Crusiers Swim and Diving Teams** will be training this season and we hope to add some fun virtual meets and inter-squad meets. The coaches are excited to get back to training the teams and will look for safe competition throughout the season.

There will be **no group lessons this year** at Crestwood Lake, but guards will be available for private instruction. Scheduling private lessons are done separately between the member and the lifeguard.

**Diving boards and the slide will be open all season.** Masks will still be required to enter the Lake, to use the bathroom, and to line up for the snack stand. Bathrooms will still be one in at a time unless the health department says otherwise.

**We will provide COVID-19 guidelines throughout the season.**
