G. Heavy vehicle recovery (over 16,000 pounds).

(1) To provide heavy vehicle recovery, the Borough of Allendale requires that the licensee have on scene a recovery supervisor with Level 3 certification from the Towing and Recovery Association of America (TRAA) or another nationally recognized certification such as wreck master.

(2) To perform heavy vehicle recovery under this chapter, the licensee must:

(a) Visually document the recovery scene through photos or videotape.

(b) Prepare a written report of all procedures employed, actions taken, equipment used and manpower requirements to complete the recovery process in the safest manner and provide a copy to the vehicle owner with the statement of services.

(c) Prepare an itemized billing invoice for all services rendered.

(3) If the licensee finds it necessary, due to the nature of the recovery to contract additional recovery service to supplement its equipment and manpower recovery, the contracted service providers must work under the supervision of the licensee. The licensee may not subcontract the entire recovery. In the event that a heavy-duty operator is unable to handle the recovery, then the next heavy-duty wrecker on the rotating list shall be called.

(4) There is a three-percent annual cost of living increase on all fees listed herein.

(5) Acceptance of credit/debit cards are at the towing company's discretion. A maximum of 4% service fee may be added to offset expenses. Credit/debit cards do not have to be accepted for any impounded vehicles.

**BE IT FURTHER ORDAINED** that, except as modified herein, all other provisions of Chapter 240 shall remain in full force and effect as previously adopted.
