

**BOROUGH OF ALLENDALE  
COUNTY OF BERGEN  
STATE OF NEW JERSEY**

**ORDINANCE 18-17**

**AN ORDINANCE TO AMEND, SUPPLEMENT AND REVISE  
THE CODE OF THE BOROUGH OF ALLENDALE,  
WATER SUPPLY, CHAPTER 262-9 and CHAPTER 262-18**

**BE IT ORDAINED** by the Mayor and Council of the Borough of Allendale, County of Bergen, State of New Jersey that the definition of the term “Customer Service Line” in Chapter 262-9 of the Code of the Borough of Allendale, be and hereby is amended, supplemented and revised in its entirety to read as follows:

**§262-9 Definitions.**

Whenever the following words, clauses or terms are used in this article, they shall be construed to mean and shall have the meanings herein defined, unless otherwise specifically stated:

**CUSTOMER SERVICE LINE**

The length of pipe, lying generally outside the street right-of-way, which connects the curb box to the building to be served with water. The curb box is considered to be part of the “Customer Service Line”.

**BE IT FURTHER ORDAINED** by the Mayor and Council of the Borough of Allendale, County of Bergen, State of New Jersey that Chapter 262-18 of the Code of the Borough of Allendale, be and hereby is amended, supplemented and revised in its entirety to read as follows:

**Chapter 262. Water**

**Article II. Water Supply**

**§ 262-18. Customer service line installation.**

- A. The customer service line and service connection shall be laid in a manner approved by the Borough. After the ditch has been dug, the pipe shall not be covered until the Borough has inspected and approved the laying of such pipe and all connections thereto and has issued a certificate of approval in writing. The installer shall take all precautions to cover by plank, or otherwise, all excavations made in sidewalks for the laying of the service line and service connection and shall not leave on the sidewalk or in the public highway any stones or piles of dirt or other refuse. All service lines and service connections must have a covering of at least four feet of approved backfill and shall be a minimum of five feet distant from any sewer line.
- B. All new installations of customer service lines, and all repairs, replacements and renewals of the same made for any reason, shall require renewal of the service connection, and all costs associated with any of the foregoing installations, repairs, replacements and/or renewals shall be made at the expense of the consumer or property owner. All pipes and fittings used in making such installations, repairs and renewals shall meet all state and federal requirements and shall be approved by the Borough.

**BE IT FURTHER ORDAINED** that, except as modified herein, all other provisions of Chapter 262 shall remain in full force and effect as previously adopted.
