**FIRE MUTUAL AID AGREEMENT BETWEEN PARTICIPATING BERGEN COUNTY  
MUNICIPALITIES**

**THIS AGREEMENT** is made between the parties, participating municipalities, and public entities as set forth on Schedule A attached hereto, all of which are either located in the County of Bergen, State of New Jersey, or are agencies or instrumentalities thereof (with such participating municipalities referred to at times herein as “Participating Units”).

**RECITALS**

**WHEREAS**, pursuant to the Fire Service Resource Emergency Deployment Act, N.J.S.A. 52:14E-14 and the regulations promulgated thereunder, including but not limited to N.J.A.C. 5:75A-2.2, municipalities in the State of New Jersey shall adopt a fire mutual aid plan (collectively, the “Fire Mutual Aid Plan”); and

**WHEREAS**, under the Fire Mutual Aid Plan, each municipality must prepare and adopt a local fire mutual aid plan which sets forth policies and procedures to coordinate the effective utilization of fire service resources where the implementation of the Fire Mutual Aid Plan is determined to be necessary or appropriate; and

**WHEREAS**, the Fire Mutual Aid Plan must be based upon the planning criteria, objectives, requirements, responsibilities and concepts of operation essential for the implementation of all necessary and appropriate protective or remedial measures to be taken in response to emergency incidents; and

**WHEREAS**, this agreement has been authorized by the members of the municipality's governing body and recommended for execution by the Bergen County Fire Coordinator and the County of Bergen;

**WHEREAS**, failure to execute this agreement prohibits the participating unit from responding to any mutual aid request outside of their contiguous municipalities;

**NOW, THEREFORE**, in consideration of the mutual promises and agreements made herein, the Participating Units hereby agree as follows:

1. **Mutual Aid and Assistance**. Upon requests as provided herein, Participating Units shall provide mutual aid and assistance to each other. Mutual Aid and Assistance shall include, but are not necessarily limited to, the following:
  - a. Rendering of aid and assistance, including pre-established immediate response by one or more Participating Units to an emergency scene under the control and/or jurisdiction of another Participating Unit, said emergency may include but not to be limited to fire, civil unrest, major criminal or emergency events, natural and man-made disaster or catastrophe affecting the environment.
  - b. Rendering of aid and assistance by one or more Participating Units to another Participating Unit to serve as supplemental reserve protection in the Requesting Unit's jurisdiction while the Requesting Unit is on an emergency call and/or otherwise currently unable to address the emergency service needs in its jurisdiction.
  - c. Participating in training exercises with other participating units as may be mutually scheduled from time to time, where the purpose of such training exercises is to coordinate and prepare for fire, civil unrest, major emergency, natural disaster, environmental disaster and/or other emergency situations that are a threat to life or property.
  - d. Out of County Mutual Aid requests shall follow the terms and conditions of the State Fire Service Resource Deployment Act and Civil Defense & Control Act and shall be

coordinated via the appropriate Bergen County Fire Mutual Aid Coordinators and/or State Fire Coordinators.

2. **Procedure for Requests for Mutual Aid and Assistance.** All requests for mutual aid shall be made through the Municipality's local Emergency Dispatch Communications Center. Such requests shall be made by the incident commander. The Fire Service Resource Emergency Deployment Act and the New Jersey State Division of Fire Safety does not recognize local fire coordinators, chief's aides, logistics personnel, or any other such title as authorized personnel to request mutual aid resources, regardless of whether these resources are enumerated on the municipalities approved alarm card. The Participating Unit receiving such request shall immediately summon any available units to the scene of the emergency in accordance with that department's established policies and procedures in effect at the time of the request.
3. **Specific Considerations Regarding Bergen County Mutual Aid Response Plan.**
  - a. The Bergen County Communications Center shall serve as a centralized resource for this Bergen County Mutual Aid Response Plan. The Bergen County Public Safety Operations Center will assist, coordinate and deploy County, or dispatched municipal resources throughout the County when necessary to assist all departments effectively and efficiently manage fire and other emergencies.
  - b. Via the Bergen County Fire Coordinator, or a Deputy County Fire Coordinator, all Participating Units shall provide a status report of the availability of their resources via the County resource management program, telephone, or via the Bergen County Trunked Radio system. This report should reflect any changes in regular availability or status.
  - c. All Participating Units shall be responsible for their primary mission of providing fire protection to their respective communities by securing the necessary resources for their first alarm response that may include using mutual aid.
  - d. All requests for mutual aid and assistance shall be made by Participating Units to their local fire dispatch Communications Center with respect to any local fire activity and the 1<sup>st</sup> alarm resources deployed for. In addition, periodic situation status reports (approximately every 15 minutes) should be provided so that mutual aid resource planning and mobilization can be effectively coordinated.

- e. All Participating Units shall request additional resources through their local dispatch Communications Center via the applicable assigned fire or operations radio frequency or talk group. All additional resources, either directly to the incident, a staging area, or for station coverage, shall be deployed as requested via the Municipality's alarm card.
- f. The local fire dispatch Communications Center shall dispatch resources based on the specific requirements of the approved incident alarm card. Any deviation from the approved alarm card must be approved by the Bergen County Fire Coordinator or a Deputy County Fire Coordinator.
- g. If additional resources are needed to manage the incident, through their Local Fire Dispatch the Incident Commander shall request a (2<sup>nd</sup>, 3<sup>rd</sup>, etc. alarm) to respond to an incident. The Fire Service Resource Emergency Deployment Act and the New Jersey State Division of Fire Safety does not recognize local fire coordinators, chief's aides, logistics personnel, or any other such title as authorized personnel to request mutual aid resources, regardless of whether these resources are enumerated on the municipalities approved alarm card.
- h. When Station Coverage is required, a Participating Unit's Local Fire Dispatch shall request resources for Station Coverage. Station Coverage units may be required to respond to the original incident, other incidents within that municipality or to incidents in other municipalities where adequate resources are not immediately available. If the Covering resource is deployed, the Bergen County Fire Coordinator or Deputy County Fire Coordinator, in conjunction with the Incident Commander or agency requesting resources, shall facilitate additional resources as needed.
- i. All mutual aid units shall be staffed minimally with three (3) New Jersey State Certified Firefighters.
- j. As determined by the local Incident Commander, mutual aid resources shall be requested on a "need-only" basis. The host agency shall ensure all resources are being utilized and released as soon as possible.
- k. The Participating Unit shall be responsible for notifying the Bergen County Public Safety Operations Center of any incident, 2<sup>nd</sup> alarm (or the participating unit's equivalent use of 2<sup>nd</sup> alarm resources), or greater, which has required a mutual aid request. The Bergen County Public Safety Operations Center shall notify the Bergen County Fire Coordinators, who shall report to the incident command post or staging area(s).

**4. Minimum Qualification for Personnel Responding Under this Mutual Aid Plan:**

- a. All Participating Units shall be responsible for ensuring that all Firefighters are New Jersey State Certified Firefighters.
- b. All Participating Units shall be responsible for ensuring that they are in compliance with the mandatory minimum qualifications for company and chief officers which are issued by the New Jersey Division of Fire Safety.

**5. Authority at Emergency Scene.** Unless otherwise agreed upon by the Participating Units at the scene of an emergency, the host municipality shall have overall command authority of Participating Units at the scene of the emergency.

**6. Expense for Use of Personnel or Equipment.**

- a. If fuel, chemical substances, crowd control, gases, water additives, sterilized medical equipment or other disposable goods are used for mitigation of the incident by a Responding Unit at a mutual aid and assistance response which will cause the Responding Unit to incur an expenditure to replace the same, and/or portable equipment requires repair or is lost the Requesting Unit shall replace or, upon receipt of an appropriate voucher, reimburse the Responding Unit for the expenditure involved. Said reimbursement or replacement shall not be construed as payment or consideration for making the mutual aid and assistance response but only as an effort to compensate a Responding Unit for its actual cost outlay in replacing these expendable materials.
- b. This agreement shall supersede any agreement either formal or informal between jurisdictions (e.g. state or federal governments) or between Responding Units (e.g. fire departments of different municipalities).
- c. Participating Units when possible will be reimbursed in accordance with the Spill Compensation Control Act (N.J.A.C. 7:1E-5.3/N.J.S.A. 58:10-23.11e).
- d. This agreement recognizes the provisions as required by New Jersey Resource Deployment Act, Civilian Defense & Control Act App.9-33 et seq. and Emergency Medical Services N.J.S.A. 26:2K-60.

7. **Limitation of Providing Mutual Aid and Assistance.** Nothing contained in this Agreement shall be construed to require a Participating Unit to make a mutual aid and assistance response if the response will leave the Participating Unit's jurisdiction without sufficient fire protection.
8. **Death, Injury or Disability.** If any member of a Participating Unit suffers injury or death at the scene of a mutual aid and assistance emergency or training exercise, the member or the member's designee or legal representative shall be entitled to all salary, pension rights, worker's compensation and other benefits to which the member would be entitled if injury or death occurred in the performance of duties within the jurisdiction of the Participating Unit in accordance to N.J.S.A. 40A:14-26. Said rights, benefits and compensation shall be paid by the Participating Unit of which the individual is a member, and not by the Requesting Unit or any other Participating Unit. Each Participating Unit shall be solely responsible for providing adequate benefits, coverage and compensation for its members, including when death, injury or disability results from participating in this mutual aid plan.
9. **Members Authority.** The members of each Participating Unit making a mutual aid and assistance response shall have the same powers and authority as the members of a Requesting Unit at the scene of the emergency in accordance with N.J.S.A. 40A:14-156.2. Said members of a Participating Unit shall also have, while so acting, such rights and immunities as they would otherwise enjoy in the performance of their normal duties within their own jurisdiction.
10. **Mutual Indemnification.** In addition to the other rights and remedies of the parties herein, each Municipality agrees to indemnify and hold harmless the sending and/or receiving Municipality and the County of Bergen, including its employees and agents, from any and all liability and claims for damages or injury caused by, or resulting from, the negligent acts or omissions by any Municipality's personnel arising out of this Agreement or any of the obligation assumed by the Municipality hereunder, provided it is determined by a Court having the appropriate jurisdiction that any Municipality is solely or jointly responsible for such liability. In the event it is determined by a Court that any Municipality is not solely responsible for said liability, then the Municipality's liability shall be limited to that degree of liability determined by said Court to be the proportionate liability of the Municipality. The Municipality shall resist and defend, at the expense of the Municipality, such action or proceeding with counsel reasonably satisfactory to the other. In addition, at its option, any Municipality may engage separate counsel to appear on its behalf in such action or proceeding without waiving its rights or the Municipality's obligation under this paragraph.

**11. Term; Withdrawal.** This Agreement shall be reviewed and revised from time to time as the need may arise, but will continue indefinitely or until terminated or rescinded by all Participating Units. Any Participating Unit may withdraw from this Agreement by providing all other Participating Units, and the Bergen County Fire Coordinator, with sixty (60) days advanced written notice of withdrawal, clearly specifying the applicable date of withdrawal. In the event of withdrawal by any Participating Unit, this Agreement will continue in full force and effect for all remaining Participating Units.

**12. Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

**IN WITNESS WHEREOF**, each Participating Unit that has executed this Agreement shall be documented on Schedule A, attached hereto and made a part hereof. By executing this agreement, each Participating Unit acknowledges that said execution has been duly authorized by proper Resolution of its governing body.

**Schedule A:**

The Borough of Allendale has authorized and executed this agreement on the 20th day of July 2023.
