**Re: Application for Development
848 W. Crescent
Block 1501, Lot 21**

Dear Mr. Hackett:

Per our discussion, my client will proceed with construction of a one family structure on a single building lot with a pool and accessory structures. We will continue the vehicular access through the driveway easement. Dana place in the Waldwick borough will serve to constitute the street frontage for a conforming building lot.

Accordingly, my client is withdrawing the subdivision application without prejudice and will not be appearing at the July public meeting.

Should you have any questions, please do not hesitate to contact me.

Very truly yours,
ALAMPI & DE MARRAIS
