Dear Ms. Garofalo:

The revised Architectural Plans have not been completed, but will be available next week. On that basis, I will submit both the revised Site Plan and revised Architectural Plans.

Accordingly, I am requesting that this matter be carried to June 16, 2021, and hereby extend the time frame for a decision to be made to July 1, 2021. I request that an appropriate announcement be made so no further public notice will be required.

Enclosed please find the completed Consent To Continuance Form.

Very truly yours,
