www.bergencountyclerk.org. 2022 Compost Permits go on sale Monday. Applications can be completed on our website. The Compost Facility will open on Saturday, April 2nd. Don’t forget to set your clocks ahead for Daylight Savings this Sunday. I, like everyone else I am sure, am looking forward to Spring’s arrival and getting outdoors and taking advantage of the increasing daylight and nicer weather. I, along with members of the Allendale Fire Department, Allendale Police Department, AVAC, DPW, Clerk’s Office, and library had the pleasure of meeting with the 3rd grade classes from Hillside School recently. The Borough has been made aware about a lawsuit that has been filed on behalf of three Allendale Police Sergeants and one Patrolman through a media article yesterday. As of tonight, the Borough has not been served with a copy of the complaint. The article on social media was factually inaccurate and the only characterization of the process was offered by the officers’ attorney, which was replete with inaccuracies. The Borough stands behind the process and the outcome. The Borough supports Chief Dillion and the Allendale Police Department.

D. Staff Reports

Raymond Wiss, Borough Attorney, reported that since the last meeting, his office has been working on personnel and property maintenance issues, as well as working with the Water Committee on the closing of the Allendale Water sale.

Michelle Ryan, Acting Clerk, reported that the Special Election went very smoothly and thanked Tatiana Marquis, John Gil, Amanda Richards, Ron Kistner, Dan Richards, Rich McDowell, Ray Frazier, and Chief Dillion. She recognized Dave Flynn, one of the poll workers who went above and beyond staying after the election ended to help clean up and put tables away. The Clerk’s Office is ready for Compost Sales on Monday.

Ron Kistner, Director of Operations/Administrative Officer, reported that work on ladder truck 941 will be done.

Michael Dillon, Chief of Police, thanked everyone for helping him in this transition. He then gave an overview of PD and OEM happenings.

John Gil, Director of Communications, advised that he is working on the March newsletter and to submit any last minute additions as soon as possible.

Adjournment:

There being no further business to come before the Mayor and Council, on a motion by Councilwoman Homan, second by Councilwoman Wilczynski, and unanimously carried, the meeting was adjourned at 7:55 p.m.

Respectfully submitted,
