A message from Mayor Bernstein. . .

May marks a turning point here in Allendale as the season changes, the weather warms, and the anticipation of Summer begins.

Preparations at Crestwood Lake are well underway. Registration for the Lake is now open. Please visit Allendalenj.gov to complete this year’s sign-up as Crestwood Lake opens to the public on May 29th! Great improvements have been done by the Lake over the last few months. On Memorial Day, the kids of our town will be able to enjoy a brand new playground! I want to thank Councilwomen Wilczynski and Homan, the entire Facilities Committee, and everyone who worked so hard to get this project done.

Along with the opening of the Lake, we have many events planned in town. These events are all highlighted in this month’s edition of the Allendale Happenings!

Memorial Day is Monday, May 31st. We are working hard on plans for our annual Memorial Day Remembrance Ceremony. Please stay tuned for more information regarding our plans which will be available shortly.

I am very happy to report that COVID-19 cases have been declining in both Allendale and Bergen County. The Governor has recently loosened many of the restrictions that have been in place including indoor and outdoor capacity limits. We will keep you informed through our website as updates are released from the State.

As we hoped, vaccines are becoming more readily available. Our Board of Health has included information and links to vaccination sites in this issue. Many locations, including both the Meadowland’s Megasite and the New Bridge Medical Center, now offer walk-in vaccinations with no appointments necessary. Here, in Allendale, we are still offering to assist any senior citizen looking to schedule a vaccination. If you are 65 or older and have not been able to schedule a COVID-19 vaccination, please contact the Borough by email at HealthDept@Allendalenj.gov, and please include the following information: Name, Address, Date of Birth, Phone, and Email. If you know senior citizens who have not yet been vaccinated, please share this information with them and help them take advantage of this great opportunity.

With all that said, as we start to move towards our normal routines, I would just like to encourage everyone to remain committed to safe and healthy practices.

I hope May is a great month for everyone! Looking forward to seeing you at Crestwood Lake!

Last year, more than ever, Allendale needed Lee Memorial Library.
Now the library needs you!

Dear Neighbor,   April 2021

This past year has brought us all closer to home, appreciating Allendale’s quiet beauty while missing the world beyond. In the process, so many have rediscovered one of the gems of Allendale: Lee Memorial Library. Suddenly, books via Porch Pickup, eBooks and audiobooks, free digital New York Times and Wall Street Journal subscriptions, mobile hot spots, take home crafts, Tutor.com and online programs filled our days like never before. Many of us learned to REALLY love the library even more.

These are exciting times for the library. As the Borough looks to reduce its use of space in the building we share, leaving significantly more room for the library, we are working to reimagine the library as a more welcoming environment with updated infrastructure and technology to meet current and future community demand.

To get there, we need your help.

We are the Friends of the Lee Memorial Library, the library’s primary source of fundraising. For 50 years the Friends have been the catalyst for new spaces, informative programs and innovative technology.

THIS YEAR THERE’S AN OPPORTUNITY TO DOUBLE YOUR CONTRIBUTION

The library trustees are applying for a grant to renovate the building. If approved, every dollar raised will be MATCHED by State funds. Every donation, in any amount, will make a difference.

Join us in our campaign to “Love the Library – Even More!”

Two ways to donate:

PayPal: Visit PayPal.me/FOL21 or scan the following code on your phone camera to pay by credit card

Checks: Please make payable to “The Friends of the Lee Memorial Library” and mail in the enclosed envelope

We have a unique opportunity to transform our library into an even more vibrant, essential, and dynamic community jewel. Thank you for your support!

Please make your contribution go further by applying for employer matching funds! The Friends of the Library is a 501(c)(3) charitable organization. EIN# 46-4027826

Home Safety: Using Ladders

Falls are by far the leading cause of home injury fatalities. The safest way to climb indoors and out is to use a safe and sturdy ladder. Whether you're cleaning, hanging decorations or painting, the same basic ladder safety rules apply:

- Always use a sturdy ladder when climbing; it's too risky to climb on a chair.
- Before using a ladder outdoors, choose a location that is well away from all power lines. Coming in contact with live wires can be fatal.
- Place the ladder on level ground and open it completely, making sure all locks are engaged.
- Use the 4-to-1 rule for extension ladders: for each 4 feet of distance between the ground and the upper point of contact (such as the wall or roof), move the base of the ladder out 1 foot.
- Always face the ladder when climbing and wear slip-resistant shoes, such as those with rubber soles.
- Keep your body centered on the ladder and gauge your safety by your belt buckle. If your buckle passes beyond the ladder rail, you are overreaching and at risk for falling.
- Make sure rungs are dry before using the ladder.
- Stand at or below the highest safe standing level on a ladder. For a stepladder, the safe standing level is the second rung from the top, and for an extension ladder, it's the fourth rung from the top.

For additional information on home safety please visit https://staysafe.org/ or contact Allendale Emergency Management Coordinator Michael Dillon at oemdirector@allendalenj.gov
Allendale Police 5th Annual Bicycle and Skateboard Helmet Initiative

On Friday, May 28, The Allendale Police Department will kick off their 5th annual bicycle and skateboard helmet initiative. Once again Officers will be distributing various gift cards as a positive reward for anyone under 17 found wearing their helmets. This year the program is being sponsored by Allendale Public School’s P.T.O.

Enforcing New Jersey’s bicycle and skateboard safety helmet law for anyone under 17 remains a priority for Allendale Police Officers year round, but as warmer weather and increased bicycle usage approaches, the Department heightens its attention on the important safety issue that impacts all roadway users.

According to Sgt. Todd Griffith, Allendale’s Traffic Safety Officer, the death rate in the United States for bicyclists remains over 800 killed per year, with over 45,000 bicyclists injured. According to Griffith, “we hope both adults and children take notice of how important bicycle helmet usage is as the average age of a bicyclist killed in traffic is 45 years old”.

Sgt. Griffith added that in the past few years the attention the program received by Northern Highlands DV Pilot, along with the Borough’s social media sites caused some very welcome excitement with local downtown businesses.

“We started this program five years ago with an anonymous donor providing funds to awards for area children wearing helmets, and we had a partnership with a few business owners that we approached. The program was well received with increased compliance rates observed. This year, Allendale’s Dairy Queen, Dunkin, and Toscana Pizzaria were all looking forward to supporting the program ensuring ample reward certificates are available for free pizza, ice cream, and donuts” claims Griffith.

The downside for persons under 17 who find themselves on a skateboard or bicycle without their helmet on, besides no free treats, the potential exists after one warning for a summons with mandatory appearance required for parents and a fine up to $100.00.

Parents unsure of helmet specifications and requirements should contact Police headquarters at (201) 825-1900.

Alarm Registration

The Allendale Police Department wishes to remind residents and business owners that Borough Ordinance 82-5 requires that you register your alarm annually. To do so, complete the Allendale Police Information Form (this information is for police department use only) and the Alarm Registration Form provided. There are two formats available, a PDF Fillable Form which can be completed on your computer, or a Standard Form to be downloaded and completed with a pen. Both forms must be filled out and mailed or dropped off at police headquarters. The fee is $25 per year. Please CLICK HERE and complete your form today.

Train Parking Permits *** New Transit Parking Information***

Park and Ride permits for the New Jersey Transit lots expired Tuesday September 1, 2020. Applications for permits and renewals are now available on-line only at the Borough’s website (CLICK HERE) Complete the application and mail your payment to police headquarters. Please pay by check or exact change cash (if coming in person). Once we receive your application and payment we will mail your permit back to you. Permit fees for April 1, 2021 to August 31, 2021 will be $60.00 for resident parking and Non-Resident permits are $225.00 including NJ Sales Tax.
