A Message from Mayor Amy Wilczynski. . .

Despite the weather still being a bit chilly, spring preparations have begun in the Borough. The DPW is starting the lake preparations for another fun summer at Crestwood. We are also gearing up to start grooming the fields for spring sports. While some may have missed a white winter, the lack of snowfall was good for the budget and gave us a jump on spring prep!

We have been busy finalizing the operating and capital budgets for 2023. I would like to thank members of the finance committee and our new CFO for their due diligence and attention to detail on behalf of the residents. This process is always very detailed and thought out. We look forward to meeting with the finance advisory committee in the very near future.

As we start to venture outdoors, please be mindful of your speed and drive carefully. Speeding has become an issue lately all over the county. Our police will be enforcing the speed limits, especially in the downtown area. Please do not park in the crosswalks for any reason and stop for pedestrians.

Our streetscape is coming along nicely and looking beautiful. We appreciate everyone's patience as we progress through the many phases of this project. This project was funded by DOT grants. Always support our merchants and dine and shop in Allendale!

We have been busy finalizing details and getting ready to go to bid for our community center. This week we are picking out flooring for both the gym side and the community center side. The site work for the 70 rental units (which will be in the back of the community center) has already started.

Congratulations to 3 young men in Allendale from Troop 59, who received their Eagle award, the highest achievement in Scouts. Teo Appelgren, Justin Sammarco and Porus Pavri. Allendale is lucky to have our young leaders providing service to the community.

I look forward to my first Mayors meeting this month with mayors from NW Bergen county. It will be interesting to see what challenges other towns are facing and how we can leverage each other on behalf of the residents.

Some important dates coming up-

- March 13th -The Clerk's Office will start selling Compost Permits
- March 24th -Allendale Ambulance Casino Night Fundraiser
- April 1st -The Holiday Observers Easter Egg Hunt

Please don't hesitate to contact me if you need anything or to just say hi!

Warm regards,

Amy

ALLENDALE HISTORY

FRED LITT
BOROUGH HISTORIAN

REMEMBERING DR. FREDERICK R. KANNING

Local physician Frederick Richard Kanning was the face of Allendale public health for half a century. Born in Minnesota in 1902, raised by German immigrant parents, he received his Doctor of Medicine degree in 1931 from the University of Minnesota.

Dr. Kanning came to New Jersey in 1931 to intern at Hackensack Hospital. A few years later, after a residency in Philadelphia, he returned to New Jersey, settling in Allendale. On May 2, 1936, he married Esther Fiske Mitchell, a native of Idaho, employed as a supervising nurse at St. Barnabas Hospital in Newark. They lived at 25 West Orchard Street, raising three sons, Frederick, Jr., Diederich, and Robert.

In 1936, enticed by a \$50/week salary, he became the Allendale school physician, taking care of the district's 200 students.

Dr. Kanning was one of the first physicians to serve on the staff of the Valley Hospital in Ridgewood, which opened in 1950. He was a member of the Valley Hospital Physicians Family Practice Group and, in 1982, was made an honorary member of the hospital's medical staff. He also served as physician for Northern Highlands Regional High School, the Allendale Ambulance Corps, and the Allendale Fire Department.

In 1937, a 1926 REO ambulance was offered to Dr. Kanning by the Hackensack Hospital for \$1. With its first rig in hand, the Allendale Ambulance Corps (AAC) was formed on July 8, 1937. Dr. Kanning was appointed surgeon to the AAC.

His office was located at 90 West Allendale Avenue. He retired from private practice in 1982 and from the Allendale BOE in 1986. As the longtime school physician, the Allendale Board of Education bestowed on him the title of Physician Emeritus.

In an interview with the Record in 1986, he said of his tenure as school physician, "most of all, I enjoyed working with the children."

Doctor Kanning passed away in 1989.

Dr. Fred Kanning (seated); his wife, Ester; and Stiles Thomas (standing) are pictured here at the October 23, 1976, surprise testimonial dinner honoring Dr. Kanning for his service to the community. The sitdown dinner, with 200 in attendance, was held at the Swiss Chalet with Thomas acting as emcee. The ceremony, arranged by Mary Dixon, Eleanor Ostertag, Toni Van Houten, and Sis Thomas, was also attended by US representative William B. Widnall and former Allendale mayor Albert Scafuro, who toasted the honoree.

Orange & Rockland

O&R WARNS: CROOKS PREYING ON PUBLIC IN BILL PAYMENT FRAUD

PEARL RIVER, NY March 3, 2023 6 a.m. --- O&R customers are being hounded by a new round of predatory phone calls from crooks trying to steal O&R customers' money.

The scheme goes this way: Crooks posing as O&R employees call unsuspecting customers and threaten them with the immediate shut off of their electric service if they don't pay phony O&R bills with Green Dot or other prepaid debit cards.

Here are two big reasons not to believe any crook who makes a shutoff threat:

- **NO DEBIT CARDS** - O&R does not accept bill payment for electric and gas utility bills by Green Dot or any other prepaid debit cards. Never has.
- **NO IMMEDIATE SHUTOFF** - Disconnecting O&R electric or gas service for non-payment of bills involves a multi-step process – including written communications from O&R to the customer over a period of several days, or even weeks --- not hours. That process is regulated by the NYS Public Service Commission and NJ Board of Public Utilities.

So, if someone calls you, says they are an O&R employee and threatens to shut off your electric or gas service that day if not immediately paid through a prepaid debit card, remember these tips:

- **Hang Up** – Disengage so you're not further subjected to the crook's high-pressure "sales pitch."
- **Text Scam** – After you hang up on them, the more aggressive crooks will try to repeat their shutoff threat by texting you. Ignore the threat. They are crooks.
- **Don't Hit "REDIAL"** – The caller ID screen on your phone for the crook's call may read "Orange and Rockland Utilities", but that's a hi-tech bogus copy of the utility company's number. That's not O&R. Do not redial, and don't call the number that the caller gives you to call them back. That will reconnect you to the crook.
- **Fast Track** - If you are unsure about whether you have an overdue balance on your O&R bill, the fastest way to find out is to log onto your account through [ORU.com/myaccount](https://www.oru.com/myaccount) to review your latest account information. You also can call O&R's automated phone system at 1-877-434-4100. Have your Orange and Rockland account number ready and follow the automated phone prompts to check your balance.
- **Check the I.D.** - If you are contacted by someone in-person or on the phone who says they represent O&R and you wish to verify their identity either ask for their photo ID card, if they are at the door, or get a call-back number if they are on the phone, and call O&R at: 1-845-577-3526 during business hours Monday – Friday 8 a.m. - 4:30 p.m. or 1-877-434-4100 O&R's Customer Service Department off hours to verify their identity and the nature of their business with you. O&R employees and vendors are trained to cooperate with this request and are happy to comply with an identity verification request.

Remember, if you are feeling threatened or otherwise uncomfortable about your security during the exchange, immediately report the incident to your local police department at 911.

YOUTH MENTAL HEALTH FIRST AID TRAINING

**Sometimes, first aid isn't
a **bandage**,
or **CPR**,
or the **Heimlich**,
or calling **911**.**

Sometimes, first aid is **YOU!**

A young person you know could be experiencing
a mental health challenge or crisis.

You can help them.

You are more likely to encounter someone — friend, family member, student, neighbor, or member of the community — in an emotional or mental crisis than someone having a heart attack. Youth Mental Health First Aid teaches a 5-step action plan to offer initial help to young people showing signs of a mental illness or in a crisis, and connect them with the appropriate professional, peer, social, or self help care. Anyone can take the 8-hour Youth Mental Health First Aid course, but it is ideally designed for adults who are in contact with young people, ages 12-18 — parents, teachers, coaches, school resource officers, public safety personnel, leaders of faith communities, social workers, and other caring citizens.

Sometimes, the best first aid is you.

Take the course, save a life, strengthen
your community.
