A Message From Our Mayors

Mayor Albert H. Klomburg

It's with a heavy heart that the Borough of Allendale recognizes the recent passing of Mayor Albert H. Klomburg. Mayor Klomburg served our community for over 25 years as a Councilman and Mayor. As Mayor, he represented our community as Chairman of the Northwest Bergen Mayors Association, Bergen County Mayors Association, the New Jersey Conference of Mayors, and the Legislative Committee of the New Jersey League of Municipalities. In recognition of his service, he was inducted into the Elected Officials Hall of Fame for his twenty years of elected service by the New Jersey League of Municipalities.

Mayor Ari Bernstein stated, "Mayor Klomburg set the bar high for those of us who have sat in the Mayor's seat. Every one of us has learned from the examples he set."

Beyond the Council, Mayor Klomburg's dedication to our community was shown in his passion for volunteering. He was a member of the Holiday Observers since 1974 and served as its President in 1983. He has served with distinction as a member of the Northern Highlands Band Parents Association, the Allendale Athletic Association as Vice President (now known as ARC), coached girls' soccer, softball, and basketball for 12 years, and was Chairman of the Allendale Centennial Committee.

Former Mayor Liz White commented, "His love of Allendale was shown throughout his life by his actions and service."

Former Mayor Vincent Barra stated, "This is a sad day for our community. Mayor Klomburg's dedication, integrity, and leadership will forever be remembered here in Allendale."

On behalf of the Borough of Allendale, we send our deepest sympathies to the Klomburg family. We also thank and remember Mayor Albert Klomburg's service and dedication to our community.

Allendale

2022

We are all looking forward to a 'normal' summer at the lake this year as the weather warms up! A huge thank you to the Crestwood Lake members for being understanding and courteous as we navigated through unforeseeable changes these past two seasons. We were thrilled we were able to safely remain open through the pandemic and offer a bit of peace and respite when we all needed it. Our DPW has been working hard to get Crestwood Lake ready and looking beautiful. Our lake sustained severe damage during Hurricane Ida, so the preparation has been extensive this year. Our office staff is busy handling registrations and Crestwood management & staff are busy coordinating schedules and events. Be on the lookout for our 'Events at the Lake' concert series. We welcome back some of our local favorites and can't wait to enjoy a relaxing summer evening chilling out and listening to music. Also, crews are working hard to get our new playground ready to go by the start of the season!

Registration is OPEN. Please visit www.allendalenj.gov to register via Community Pass. **Important new information: We are upgrading our membership badges and everyone will be required to get a new picture this year.** Here are two ways to submit a new photo.

1. Upload pictures when you register ([Click Here for details](#))
2. Have your pictures taken at Borough Hall or at the Lake.

The Clerk's Office at Borough Hall will be open until 6:30pm on May 26th to help with registration. On May 28th, 29th, and 30th from 11am to 3pm staff at the Lake will be on hand to complete registrations.

We look forward to another great season at beautiful Crestwood Lake!!

Best Regards,
Steve Sasso & Amy Wilczynski
Chair and Co-chair of Facilities, Parks & Recreation

REGISTRATION IS OPEN!

Please go to the Borough website at www.allendalenj.gov and click on the Crestwood Lake button. Then click on Crestwood Lake Registration. If you do not have a computer or are having difficulties, contact the Clerk's Office at 201-818-4400 x200 between 10am and 4pm. If you forgot your password from last year, **do not create a new account**. Please email info@allendalenj.gov for a new password.

ALLENDALE POLICE DEPARTMENT

EMERGENCY ROAD CLOSURES

The Allendale Police would like to relay information about navigating (no pun intended) when a road is closed for emergency reasons. Unplanned road closures can be stressful and frustrating for the motorist. Unfortunately, there are circumstances beyond our control which would necessitate closing a roadway. Many times, an emergency such as a wire down or motor vehicle crash will cause a dangerous condition for vehicles traveling on the roadway. Whenever possible, roadways are closed at intersections which permit a detour around the emergency. Typically, an emergency vehicle is parked perpendicular to the roadway or cones/barricades are in the middle of the roadway. These both indicate an immediate hazard which is danger to life and/or property. Do not go around these closures unless escorted by emergency personnel. Disregarding these road closed indicators could put your life at risk. At times, local residents can be permitted to travel to their homes which are in between the closure and the hazard. This can only be granted by emergency personnel on scene and must be with great caution. If a barricade is moved, the law says it must be restored by the person moving it. Whenever possible, the police department will announce planned road closures through Constant Contact and/or Swiftreach. For thru traffic, please pull safely off the roadway, bring your vehicle to a stop, and utilize mapping programs such as Maps or Waze to find an alternate route.

The John Fell House had a very successful Bourbon Tasting on May 6th. Senior Master of Whiskey was back leading our guests through six different bourbons and ryes. ***Look for an autumn Scotch tasting at the historic home!***

On Thursday, the John Fell House was the lucky location chosen by Keller Williams for its “Red Day” a nationwide day of service for KW agents to “give where they live”. We were so fortunate to have Allendale resident and KW agent, Patty Davis, to spearhead this event. Many thanks to all of the volunteers who came out and cleaned the house, planted flowers, and helped pack up and clean some items from our kitchen. Thanks also to the guys at Alpha Moving who donated packing material and volunteered their time. As always, we appreciate Evergreen Landscaping for the wonderful job they did on getting the property looking great for this special day.

With sincere appreciation,
Susanne Lovisolo
Board President

MESSAGE FROM THE ALLENDALE WATER COMMITTEE

The water committee has been alerted to social media misinformation on increasing water bills this year. There has not been an Allendale water rate increase since January 2021. If a resident is noticing an increase in their water bill, they should investigate their property for potential water leaks. Suez (now VEOLIA) has not yet completed its purchase of the Allendale water system. The anticipated closing is late summer/early fall 2022. The Board of Public Utilities needs to approve the transaction and the proposed 10-year rate schedule. The rate schedule that has been proposed is as follows.

Year →	1	2	3	4	5	6	7	8	9	10
SUEZ Owner*	0%	0.5% **	0%	0%	5%	0%	5%	0%	0%	5%

**2% base rate of 9K gallons

Allendale water currently remains in compliance with all NJDEP Quality regulations. SUEZ is fully committed to meeting and exceeding requirements for the removal of PFAS from our drinking water as the EPA and NJDEP introduce new regulations. Levels of PFAS at the existing New Street Wells are near the regulatory limits, Well 11 is currently turned off. The parties have concluded that treatment will be needed prior to completion of the Permanent New Street Treatment Plant and as such the parties have agreed that should the sale of the water system to Suez proceed as planned, Suez shall design, construct, and install temporary PFAS treatment at the New Street Treatment Plant on or before May 2023. If Allendale water exceeds the maximum contaminant limits prior to this time, residents will be notified.

Please insert the wording from Lissa on the water shut of Moratorium.

Should any residents have concerns or questions, please contact councilwoman Liz Homan by email, lizhoman@allendalenj.gov

IMPORTANT MESSAGE: COVID-19 RATEPAYER RELIEF MEASURES

This notice announces relief measures for residential ratepayers experiencing economic hardship during the COVID-19 pandemic. Please review this message in its entirety. For more information, please go to our website at www.allendale.gov or Alissa Mayer, Water Collector at 201-818-4400 ext. 205 or alissamayer@allendalenj.gov.

INSTALLMENT PLAN AVAILABILITY

BE ADVISED that State law requires residential customers to be offered an installment plan for any water arrearages accruing between March 9, 2020 and March 15, 2022. To maintain the installment plan, a residential customer must make timely payments on all current charges. More information is available by calling SUEZ/Allendale customer service at 855-367-6708.

LATE FEES, CHARGES AND PENALTIES

BE ADVISED that P.L. 2021, c. 317 prohibits local governments from charging residential customers interest, fees, or charges for late payment of water charges accruing between March 9, 2020 and March 15, 2022 until after March 15, 2022 at which time interest and penalties may begin to accrue. Late interest, fees or charges may be enforced against arrearages accruing before March 9, 2020 and after March 15, 2022.

BILL ASSISTANCE AND ARREARAGE FORGIVENESS PROGRAMS

The application period for the New Jersey Department of Community Affairs' Low Income Water Assistance Program (LIHWAP) is now open. This federally funded program will provide financial assistance to low-income households to reduce the balances on their residential water bills. LIHWAP will provide benefits directly to water service providers on behalf of residential customers. The assistance can be used, in order of priority, to:

- restore services where services have been terminated and pay reconnection fees and other charges accrued due to a disconnection;
- avoid service disruption for those residential customers who are in danger of disconnection (i.e., received shut off notices or have past due balances) and to help them afford bill payment going forward; and
- support those household customers who are current in their bills but might be in danger of falling behind in the near future.

Priority will also be given to families with elderly or disabled household members and/or with children under the age of five, no matter which category they fall into.

To be eligible for LIHWAP assistance, applicants must be water bill holders who are responsible for paying their water bills directly to the water provider. Also, applicants' total gross household income must be at or below 60% of the state median Income (\$6,439 a month for a family of four). The LIHWAP frequently asked questions webpage, available at <https://njdca-housing.dynamics365portals.us/lihwapfaq> has additional information about maximum income limits and other items.

Participants in the Low-Income Home Energy Assistance Program (LIHEAP) are automatically eligible for LIHWAP assistance so long as they are water bill holders.

People can apply online through the DCAid application portal at <https://njdca-housing.dynamics365portals.us/en-US/dcaid-services/>.

Those without computer or internet access can call 1-800-510-3102 to be directed to one of the community action agencies to assist them with starting, completing, and submitting an application online.
