

Allendale 2019

SOLID WASTE & RECYCLING CURBSIDE REGULATIONS & SCHEDULE

NO NEED TO VISIT THE RECYCLING CENTER ON THE WEEKEND.
Allendale picks up all of your recyclables every other Thursday.

ALLENDALE IS DUAL STREAM!
A simple and efficient way to recycle. Household paper & comingle twice a month.

GARBAGE COLLECTION

Suburban Disposal, under a contract with the municipality, performs curbside household garbage collection for both the EAST and WEST side of the Borough. The NJ Transit Railroad divides the Borough. No receptacles shall be set out prior to 6:00pm on the night before collection and shall be removed by 9:00pm on the day of collection. **Please use containers no larger than 30 gallons.** Please refrain from calling if your garbage is not collected by its "normal" time. A number of things, including weather, truck break downs, detours, etc. may occur that could delay the contractor from collecting the route. The contractor has until 6:00pm to finish the route.

West Side

Garbage Collection:

Mondays (place at curb before 7:00am)

2nd collection starts the week of May 20, through the week of September 9. Collection will be done Mondays & Thursdays.

Bulky Trash Collection:

2nd Wednesday of the month (place at curb before 7:00am)

East Side

Garbage Collection:

Tuesdays (place at curb before 7:00am)

2nd collection starts the week of May 20, through the week of September 9. Collection will be done Tuesdays and Fridays.

Bulky Trash Collection:

1st Wednesday of the month (place at curb before 7:00am)

Accepted Bulky Trash items are:

- Furniture • Carpeting • Non-metal items
- Window/mirrors/pane glass must be taped with an "X"

TVs and other electronics cannot be picked up with garbage collection. Check www.bcua.org for the dates of their electronics recycling programs.

Styrofoam items should be put out with regular garbage collection.

RECYCLING COLLECTION

Containers for All Household Paper

What does this include?

This collection will coincide with your regular garbage collection. Items that are recyclable will not be collected. Please bring them to the Recycling Center or a special BCUA recycling event.

Items that are mostly metal will be picked up on metal collection day only. This is a one-time only collection, please schedule accordingly. There is a five piece limit on furniture.

COMPOST SITE

300 West Crescent Avenue

HOURS:

- April 6, 2019 – December 15, 2019
- Saturday 9:00am to 5:00pm and Sunday 1:00pm to 5:00pm

All grass, leaves and brush are accepted with a resident compost permit. Permits can be purchased starting March 18th at Borough Hall, Monday – Friday 9am – 4:00pm. Call 201-818-4400 ext 200 for more information.

No plastic bags allowed, please use brown biodegradable bags or place in container to transport grass and leaves for residents only. NO LANDSCAPERS, CONTRACTORS OR BUSINESSES are allowed.

CUT-IT-AND-LEAVE-IT

Recycling your own grass is easy and saves you, and the town, money. Use a mulching lawnmower or replace the blade with a mulching blade. When you cut your grass, allow it to remain on the ground to be reabsorbed and provide vital nutrients to your grass. You save time by not having to bag the grass and transport it to the Compost Site. You won't have to use as much fertilizer and the cut grass helps reduce water evaporation so you use less water.

SCRAP METAL COLLECTION

The fourth (4th) Wednesday of the month for BOTH sides of the Borough. Items acceptable for curbside metal collection are:

- Anything that is at least 75% metal
- Bicycles
- Refrigerators*(remove the doors)
- Washers and dryers
- Cast iron
- Radiators
- BBQ grills – minus the propane tank
- Humidifiers

*Appliances such as refrigerators, air conditioners, etc., containing "Freon or CDC's" must be certified that the Freon and CDC's have been removed by a certified person or vendor and a sticker (supplied by the removal company) must be attached to the appliance. This is required by law!

The Borough of Allendale continues to strongly encourage all residents to focus on using reusable shopping bags and drinking cups.

Allendale Police Department

Please remember that there is no parking on ANY street when it snows. The ordinance 252-81 prohibits parking on public streets during a snow event as well as parking a vehicle so that it extends into the roadway when it snows. The regulation applies when any accumulation of snow completely covers the roadway and obstructs road markings.

The parking prohibition remains in effect after the snowfall has stopped and until the entire block of roadway has been cleared of snow.

Please remember to lock your vehicle and take the key fob with you to deter theft of the vehicle.

We encourage all residents to sign up for swiftreach so they can be informed on all important messages and emergencies within the borough.

PET LICENSING IS GETTING STREAMLINED AND AUTOMATED IN 2019!

Our new system will be up and running by January 1st for pet licensing. Please check our website, www.allendalenj.gov, during the week of December 24th for all the details. Automation of more permits and licenses also coming in 2019!!!

CERT News

FEMA's Community Emergency Response Team (CERT) program educates average citizens about disaster preparedness for hazards that may impact their area and provides training in basic disaster response skills, such as:

- Fire safety
- Light search and rescue
- Team organization
- Shelter fundamentals and management
- Disaster medical operations
- Disaster psychology

If you are interested in learning valuable skills to help family, friends, and neighbors during a disaster or emergency, consider joining Allendale's Community Emergency Response Team. CERT Basic Training is typically offered in the spring and the fall. You can still contribute and make a difference even if you don't have a significant amount of time to volunteer. For questions about CERT, email allendalercertcoordinator@gmail.com.

Lee Memorial Library wants to hear from you!

Lee Memorial Library is planning for its future as a community anchor in Allendale, a place for connections, and a springboard to lifelong learning. In its aim to understand what our residents need and want, the board of trustees is soliciting community input through a 5-minute survey, which can be completed online through the library web site or in paper form at various sites, including the library and Borough Hall. The library staff and board believe that all voices matter, and hope that a broad array of people in our community will take the opportunity to participate and be heard - whether they visit the library every week or haven't stepped foot in the building for years. The ideas shared will fuel the library's next steps and propel it toward a future of exceptional community service and support. The survey is strictly confidential and no personally identifying information will be collected. To access the survey, visit: LeeMemorialLibrary.org from Dec. 1, 2018 through Jan. 15, 2019.

The Allendale Ambulance Corps thanks the over 500 residents who have made charitable donations to the Corps' 2018 annual fund drive as we continue to approach our goal.

The generosity of the residents and businesses of Allendale make our all-volunteer mission possible. If you haven't taken us up on our invitation to financially support our all-volunteer mission, please consider doing so. Donations should be payable to Allendale Ambulance Corps, and mailed to 26 Arcadia Rd, Allendale NJ 07401 or by using PayPal on our website: allendaleambulancecorps.org. Please follow the Corps on Facebook as we post schedules of events such as free Friends and Family CPR classes.

BEAR SAFETY TIPS

Black bears by nature tend to be wary of people. Some residents may observe black bears using yards as part of their natural travel corridors. The mere presence of a black bear is not considered a problem. Black bear attacks are extremely rare. However, if you encounter a black bear in your neighborhood or outdoors while walking or hiking, follow these common-sense safety tips.

- Never feed or approach a bear!
- Remain calm. Avoid direct eye contact which may be perceived by a bear as a challenge. Never run from a bear. Instead slowly back away.
- To scare the bear away, make loud noises by yelling, banging pots and pans or using an airhorn. Make yourself look as big as possible by waving your arms.
- If a bear stands on its hind legs or moves closer, it may be trying to get a better view or detect scents in the air. It is usually not a threatening behavior.
- If the bear does not leave, move to a secure area.
- Families who live in areas frequented by black bears should have a "Bear Plan" in place for children, with an escape route and planned use of whistles and air horns.

Remember: Never feed bears! It is illegal in New Jersey and its dangerous. Anyone feeding bears could face a penalty of up to \$1,000 for each offense.

Report black bear damage or nuisance behavior to the DEP's 24-hour, toll-free hotline at **1-877-927-6337**. For information visit www.state.nj.us/dep/fgw.
